FAU Graduate International Student Onboarding Process

All International Students (Regular and Study Group)

- The ISS or IES department invites the student to apply for an I-20.
- The student applies for a Visa.
- The ISS or IES departments send the student info about orientation, check-in, holds, registration, and other oboarding details.
- The academic department sends the student info about advising, curriculum, and other academic details.
- The student arrives at least 1 week before the semester begins. Late arrivals are allowed until the Thursday of add/drop week.
- The student attends immigration, univeristy-wide, and academic department orientations.
- The student attends immigration check-in to submit all immigration documents to the ISS office.
- The student has completed all requirements and has enrolled for the semester.
