I. The meeting was called to order at 2:00 p.m. by Dr. Floyd.

Dr. Floyd started the meeting in the absence of Doug Broadfield who was the chair of this committee. He is no longer with the University. The committee now had to nominate someone to take over the position of Chair of the GPC. Zhixiao Xie nominated Charles Roberts for the position, and he was unanimously approved by the committee, and Dr. Roberts accepted the position.

Dr. Floyd suggested we notify the UGC of Dr. Charles Roberts appointment to the GPC at their next meeting.

II. The minutes of the December 3, 2014 meeting were approved unanimously by the committee.

III.

We then proceeded with the review of the Curriculum Proposals:

The Program Change- DNP to PHD Degree Option was tabled by the committee.

There was too much confusion as to how many credits were needed for either program. It will be bought back to committee at a later date.

NGR 7932, NGR 7934, and NGR 7936 were title changes- and were approved by the committee.

RAT 6616- Medical Imaging Physics were catalogue changes, and was unaminously approved by the committee.

The Program change to Master's Degree in Computer and Electrical Engineering, and the change to Master's Degree in Ocean and Mechanical Engineering were taken off the agenda by Dr. Fred Bloetscher. The ollege of Engineering had conflicts about the changes and will bring back to committee in the future.

The meeting was adjourned at 2:35 pm.

The next meeting will be February 18, 2015
