

Note to researcher:

- Please note that the contact message that you send through ResearchMatch must exclude your direct study contact information (email address and phone number) and must not exceed 2000 characters. This content must also be approved by FAU's IRB.
- Make sure to review your site-specific instructions for any institution-specific application requirements or contact your ResearchMatch Institutional Liaison for any questions related to FAU's IRB or research policies.
- Messages may also be written in Spanish.

General Description of Request:

I am requesting IRB approval to send the following study recruitment message to potential study volunteers through ResearchMatch.org. ResearchMatch asks me to confirm that this language has been IRB approved and that my direct study contact information has been removed (email/phone) before sending my study announcement through ResearchMatch to volunteers that appear to be a good match for my study.

Contact Message Content Description:

Below is the study-specific announcement that I wish to have inserted into the ResearchMatch notification regarding my study:

<INSERT YOUR MESSAGE HERE>

ResearchMatch provides standard notification language (below in grey) that will be received by all ResearchMatch volunteers who may be a match for a given study.

My specific message for which I am seeking approval will be inserted accordingly:

A research team with **X UNIVERSITY in CITY, STATE**, believes you might be good match for the following study:

<Researcher's IRB approved study-specific recruitment announcement is inserted here>

If you are interested in this study and having the research team contact you directly, please select the "Yes, I'm interested" link below. By clicking the "Yes, I'm interested" link, your contact information will be released to the research team. If you select the "No, thanks." link or do not respond to this study message, your contact information will not be released to the research team.

QUICK LINK OPTION: YES

QUICK LINK OPTION: NO

Thank you for your interest in ResearchMatch.

Volunteer Contact Process:

Potential volunteers will be contacted using the IRB-approved content. Volunteers will then have the option of replying yes or no through a set of quick links available in the notification. If a volunteer chose to respond in the affirmative they will authorize ResearchMatch to release their contact information to me and I will be responsible for managing that information according to institutional guidelines.
