FLORIDA ATLANTIC UNIVERSITY

## VIRTUAL RESEARCH IN ACTION

Did you know that despite the availability of BRCA1/2 genetic testing to the public for the past 25 years, racial and ethnic disparities still persists, according to Tarsha Jones, Ph.D.?

Dr. Jones will discuss her program of research related to genetic testing in young breast cancer survivors, provide an overview of disparities in breast cancer and will explore solutions for addressing disparities through the lens of social justice.

## Disparities in Breast Cancer and Genetic Testing Among Young Breast Cancer Survivors: Exploring Social Justice

Presented by Tarsha Jones, Ph.D., R.N.,  
assistant professor, Christine E.  
Lynn College of Nursing

1 – 2 P.M. EST  
THURSDAY, MARCH 24
