Public Ethics and Leadership Certificate Program

By enrolling in the Leadership and Ethics Certificate, you will gain:

- Leadership skills to develop effective solutions to problems
- Enhanced capacities in leadership and management
- Improved understanding of ethical conflicts and deliberative approaches
- New networks of colleagues across the South Florida region

Students may enroll in this 12-credit professional graduate certificate program while pursuing a graduate degree at FAU or it can be a stepping stone to the Master of Public Administration (MPA) degree.

For admission to this certificate program, students should have a B average (3.0) at the graduate level or an overall undergraduate GPA of 3.0. Students not matriculating at FAU should complete a non-degree-seeking student application through the FAU Registrar's Office.

Earning this certificate requires the completion of two required courses and two elective courses with a grade of "B" or better:

Required:

- Public Leadership
- Ethical and Legal Foundations in the Public Sector

Elective:

Your choice from over 8 MPA courses such as Public Budgeting and Finance or Human Resource Management in the Public Sector

Students who complete this certificate may choose to then enroll in the full MPA program, with these courses counting toward that degree.
