

ACADEMIC AND STUDENT AFFAIRS COMMITTEE

April 25, 2007

SUBJECT: Consideration of request for approval of selected Program Reviews for submission to the Florida Board of Education

PROPOSED COMMITTEE ACTION

Recommend approval of Program Reviews for the Social Science programs in the College of Architecture, Urban and Public Affairs and the Barry Kaye College of Business.

BACKGROUND INFORMATION

All FAU degree programs undergo an annual Departmental Performance Review, to ensure that teaching, research and service are performing at satisfactory levels and to assist the department in the pursuit of continuous improvement.

In addition, the Florida Board of Governors requires cyclic reviews of all academic programs at least every seven years. The FAU program review process provides for the review and approval of the selected program report(s) by the FAU BOT prior to submission to the FBOG.

The enclosed meeting material includes data for each of the programs scheduled for review this spring. The data for the programs is too voluminous to send as hard copy. The data is available for viewing on FAU's website through the following links:

To view the Departmental Dashboard Indicators: <http://iea.fau.edu/inst/review.htm>

To view the Academic Learning Compacts: <http://iea.fau.edu/assessment/ALC.htm>

To view the Departmental assessment plans: <http://iea.fau.edu/AssessmentDbase/Login.aspx>

The appropriate sign-on information is as follows: USERNAME **guest** PASSWORD: **access**

The Spring 2007 reviews must be approved by the FAU Board of Trustees and submitted to the FBOG by June 29, 2007.

IMPLEMENTATION PLAN/DATE

Upon BOT approval

FISCAL IMPLICATIONS

None
