

College of Education Mission Statement

The mission of the College of Education is to serve the community of Florida Atlantic University by providing effective leadership in areas of research, service and teaching at the local, state, national and international levels, through the initial and advanced preparation of informed, capable, ethical and reflective decision making professionals. Our faculty and students seek to promote and sustain authentic change, excellence and equity in their respective fields, and in the organizations and systems with which they are associated. The College's programs reflect changing societal needs and incorporate web-supported delivery systems, current methodologies and research, which bring faculty and students together to improve the quality of education for all in an increasingly diverse, technological, inclusive and global society.
