The University's Accountability Plan establishes institutional goals for the future and is regularly updated to reflect the University's progress and trajectory. This master plan update has been developed using the goals established in the University's 2018 Accountability Plan. The current Accountability Plan can be found at the Office of the Provost webpage at: <http://fau.edu/provost>

The University routinely updates its enrollment projections; please refer to the University website for the most current projections.
