**Department of Civil Environmental and Geomatics Engineering
Florida Atlantic University
Course Syllabus**

1. Course title/number, number of credit hours	
CGN 7980 Dissertation-Transportation and Environmental Engineering	1-15 credit hours
2. Course prerequisites, corequisites, and where the course fits in the program of study	
Prerequisites: Permission of department.	
3. Course logistics	
Term: Effective Spring 2021	
4. Instructor contact information	
Instructor's name Office address Office Hours Contact telephone number Email address	NA
5. TA contact information	
TA's name Office address Office Hours Contact telephone number Email address	NA
6. Course description	
NA	
7. Course objectives/student learning outcomes/program outcomes	
Course objectives	Not applicable
Student learning outcomes & relationship to ABET a-k objectives	Not Applicable
Relationship to program outcomes	Not Applicable
8. Course evaluation method	
Not Applicable	
9. Course grading scale	
Satisfactory (S) or Unsatisfactory (US)	
10. Policy on makeup tests, late work, and incompletes	

**Department of Civil Environmental and Geomatics Engineering
Florida Atlantic University
Course Syllabus**

<i>Not Applicable</i>
11. Special course requirements
None
12. Classroom etiquette policy
Not applicable
13. Attendance Policy Statement
Students are expected to attend all of their scheduled University classes and to satisfy all academic objectives as outlined by the instructor. The effect of absences upon grades is determined by the instructor, and the University reserves the right to deal at any time with individual cases of non-attendance. Students are responsible for arranging to make up work missed because of legitimate class absence, such as illness, family emergencies, military obligation, court-imposed legal obligations or participation in University-approved activities. Examples of University -approved reasons for absences include participating on an athletic or scholastic team, musical and theatrical performances and debate activities. It is the student's responsibility to give the instructor notice prior to any anticipated absences and within a reasonable amount of time after an unanticipated absence, ordinarily by the next scheduled class meeting. Instructors must allow each student who is absent for a University-approved reason the opportunity to make up work missed without any reduction in the student's final course grade as a direct result of such absence.
14. Disability policy statement
In compliance with the Americans with Disabilities Act Amendments Act (ADAAA), students who require reasonable accommodations due to a disability to properly execute coursework must register with Student Accessibility Services (SAS) and follow all SAS procedures. SAS has offices across three of FAU's campuses – Boca Raton, Davie and Jupiter – however disability services are available for students on all campuses. For more information, please visit the SAS website at www.fau.edu/sas/ .
15. Honor code policy
Students at Florida Atlantic University are expected to maintain the highest ethical standards. Academic dishonesty is considered a serious breach of these ethical standards, because it interferes with the university mission to provide a high quality education in which no student enjoys unfair advantage over any other. Academic dishonesty is also destructive of the university community, which is grounded in a system of mutual trust and place high value on personal integrity and individual responsibility. Harsh penalties are associated with academic dishonesty. See University Regulation 4.001 at www.fau.edu/regulations/chapter4/4.001_Code_of_Academic_Integrity.pdf
16. Counseling and Psychological Services (CAPS) Center
Life as a university student can be challenging physically, mentally and emotionally. Students who find stress negatively affecting their ability to achieve academic or personal goals may wish to consider utilizing FAU's Counseling and Psychological Services (CAPS) Center. CAPS provides FAU students a range of services – individual counseling, support meetings, and psychiatric services, to name a few – offered to help improve and maintain emotional well-being. For more information, go to http://www.fau.edu/counseling/
