Spring 2021

**Please explain the requested change(s) and offer rationale below or on an attachment.**

At this time only annual Fall admissions are allowed. We would like to create more opportunity for graduate students to join the MFA program by adding Spring semester admissions.

**Rationale:**

A more flexible admissions policy will help increase enrollments. New graduate students can easily adapt to the course rotation if they are allowed to come in Spring as well as Fall.

\*All new programs and changes to existing programs must be accompanied by a catalog entry showing the new or proposed changes.
