Bachelor of Music: Performance + Master of Nonprofit Management

GPA Requirements: All music degree programs are selective access, and require an audition for entry. Entry into the Master of Nonprofit Management requires a minimum GPA of 3.25 in the last 60 credit hours.

Shared Coursework: The BM/MNM combined degree program enables outstanding students to graduate with both a Bachelor of Music - Performance and a Master of Nonprofit Management in as little as five years. The program is 153 credits. Students complete 120 credits for the undergraduate degree and 33 credits for the graduate degree. Students complete the undergraduate degree first, taking no more than **9 credits of graduate level coursework** during their senior year, which are then used to satisfy requirements for both degrees. Prospective students must formally apply to this program and meet all admission requirements.

Certain required courses for the BM in Performance (Piano Performance and Pedagogy Option) such as one-on-one applied lessons or performance ensembles are cross-listed with graduate courses. These include but are not limited to:

- Applied Music Piano (MVK4441/MVK6351) – 2 credits (x2 semesters)
- Instrumental Chamber Music (MUN4463/ MUN 6465) – 1 credit (x2 semesters)
- **Graduate-level performance ensembles in consultation with an advisor**

These graduate course numbers could be a substitute for the undergraduate numbers during senior year, doubling as elective credits in the MNM, for **up to 9 credits** of overlap, although this combination would function with a minimum of 6 shared credits.

Master of Nonprofit Management

(Requires 33 credits)

Degree Goals

The Master of Nonprofit Management (M.N.M.) degree program was designed as a professional degree to meet the unique needs of the nonprofit sector. It is open to preservice students as well as managers and leaders in human services, fine and performing arts, and cultural, educational, community development, religious, environmental and other nonprofit organizations. The curriculum recognizes the special concerns of nonprofit organizations in such areas as: management of volunteers and professionals; resource development and fundraising; governance by volunteer boards of trustees and directors; management of multiple sources and types of funding; unique legal and regulatory issues; special values of service, community and charity; and the unique demands of nonprofit leadership.

Duplication and Recency of Credits

Except for students enrolled in the Combined B.M./M.N.M. program, no credit counted as part of another degree may be counted toward the M.N.M. All work toward the M.N.M. must be completed within seven years after initial registration in the program.

Transfer Credit

Acceptance of transfer credits from approved institutions depends on the relevance of the work to the M.N.M. program. Request for transfer credits should be made at the time of admission and is limited to 6 credits in which the student earned a minimum grade of "B." Students may use the petition process to transfer more than 6 credits. Credits older than seven years may not be transferred to the graduate program.

Degree Requirements

The faculty of the College will recommend awarding the Master of Nonprofit Management degree when the following requirements have been met:

1. Completion of 33 credits of approved coursework with no grade below "C," (including "C-") with a minimum average grade of "B" (3.0 on a 4.0 scale).
2. Completion of the core courses below (24 credits). The required internship (PAD 6943) may be waived and replaced by an elective for students who have nonprofit work experience.*
