	Department Psychology Department College College of Science	
Program Name Graduate Program Ph.D. Experimental Psychology	<input type="checkbox"/> New Program <input checked="" type="checkbox"/> Change Program	Effective Date (TERM & YEAR) Fall 2018
Please explain the requested change(s) and offer rationale below or on an attachment <p>The Psychology Department would like to change the application deadline date for the Ph.D. program only. The current application deadline date is January 10. The requested new application deadline date is December 11.</p> <p>The Psychology Department Graduate Committee unanimously approved the proposal. The Psychology Department faculty approved the date change with a majority vote at the August 29, 2018 faculty meeting.</p> <p>Our program works in conjunction with Dr. Randy Blakely's Brain Institute/Graduate Neuroscience Training Program. The GNTP selects students from our pool of applicants. For selection purposes, our applicants will need to have all the required application materials submitted by the GNTP deadline. This earlier deadline will match the current deadline for the GNTP and the other associated Ph.D. programs.</p>
