MEMORANDUM

Date: September 22, 2008*

To: Kay Means, Chair of Graduate Council, Barry Kaye College of Business

From: Qing Hu, Chair, ITOM Department 

Subject: Changes to MBA Curriculum Description in the University Catalog

Cc: Paul Hart, Associate Dean
Marc Rhorer, Assistant Dean for Academic Affairs
Peggy Golden, Chair of MIBE Department
Fred Taylor, MBA Program Advisor
Derrick Huang, ITOM Representative at Graduate Council

The current Catalog (2008-2009) descriptions about MBA curriculum contains inconsistencies and incomplete information on Operations Management courses, which must be corrected. After consulting with ITOM faculty members, I request the following changes be made to the catalog:

- 1) Change the language of Notes (3) on page 323 into the following:

(3) Students who have had an undergraduate Operations Management course may substitute MAN 6525, MAN 6526, or MAN 6596 for MAN 6501.

- 2) Change the pre-requisite for MAN6501 in the catalog as follows:

Pre-requisite: Admission to a graduate program at FAU, and QMB6603 or QMB3600 or equivalent

- 3) Move the catalog entry for MAN6526 from MIBE department page (352) to ITOM department page (350) because MAN6526 is an ITOM course.

- 4) Modify the catalog entry for MAN 6596 on page 350 to reflect a pre-requisite requirement as follows:

Supply Chain Management: (MAN6596) 3 credits
Prerequisite: Admission to a graduate program at FAU, and MAN3506 or MAN6501 or equivalent

The faculty voted in favor of the proposed changes on September 19, 2008.

*Note: this memo was modified on November 14, based on the comments received at the GPC meeting on November 12, 2008.
