Program Name PhD in Nursing		<input type="checkbox"/> New Program <input checked="" type="checkbox"/> Change Program	Effective Date (TERM & YEAR) Fall 2020
<p>Please explain the requested change(s) and offer rationale below or on an attachment</p> <p>At the November meeting of the PhD committee, the committee voted unanimously to admit students to the PhD program once per year in the Fall semester. The rationale for this decision is related to the need to increase the class size and create a cohort that can move through the program in ample numbers to avoid class cancellations or unacceptably small class sizes. Applications will be accepted throughout the year but admissions will occur at this one time per year.</p>
