Excused: William Bosshardt, Michael Harris, Diana Mitsova

Ex-officio: Ed Pratt; Donna Chamely-Wiik

Guest: Bryan Nichols (College of Education)

Minutes of 28 September 2018 meeting were approved

1) Old Business:

Dr. Nichols explained the changes that were made to the EEHEE proposal and the application form (for students). The committee suggested inclusion of clearer language related to the dismissal of students if they do not continue to meet the required standards. We ask that the dismissal process is delineated so that the students would know if they do not remain “in good standing.” The members of the committee are willing to entertain this proposal before our next meeting and vote via email as soon as Dr. Nichols resends the complete proposal (New Change program request + description of program + application form).

2) New Business:

The following two courses from the WHC were tabled.

- a. INR 3502 Honors International Organization
- b. INR 4503 Honors Advanced Diplomacy

The committee is asking for a clearer distinction between the two syllabi. A suggestion is to work with the course descriptions in developing the courses’ learning objectives descriptions and goals.

Other items had to do with the inclusion of Honors in several parts of the documents, updated language for SAS heading, deletion of repeated lines, and the inclusion of links to the Honors Codes (Boca and WHC).
