

## This process is required in order to start work as a Florida Atlantic University student employee.

Welcome to Florida Atlantic University!

Onboarding is completed by the new or returning employee.

The employee will receive an email from [workday@fau.edu](mailto:workday@fau.edu) with a URL address for *Workday* (where onboarding will take place), a temporary user name and a series of steps to be completed. A temporary password will be sent in a separate email.

## The onboarding process needs to be completed in the Workday system prior to the first day of employment.

If the employee has trouble logging into the *Workday*, contact the Help Desk at 561-297-3999 for a temporary password.

For assistance with the onboarding process, contact the Human Resources department at [hres@fau.edu](mailto:hres@fau.edu) (for non-student employees), [stuemp@fau.edu](mailto:stuemp@fau.edu) (for student employees) or call 561-297-6156.

## ONBOARDING OVERVIEW

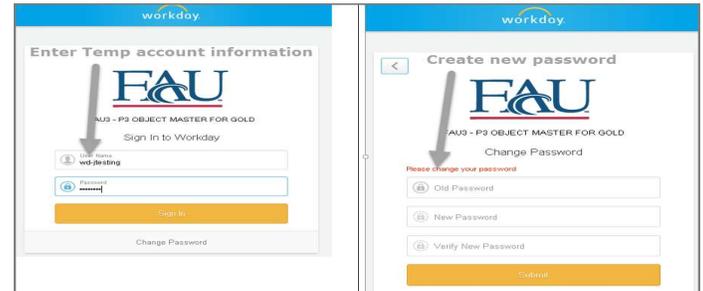

1. Log into the FAU Onboarding website using the URL, temporary user name and password received in the onboarding email from [workday@fau.edu](mailto:workday@fau.edu). NOTE: this is a non-responsive account. Do not send emails to it.

Online instructions for completing the onboarding process can be found at this website: <http://www.fau.edu/hr/onboarding>.

2. When you first log into Workday with your temporary account information, you will be asked to change your initial temporary password.

The new password will need to be 8+ characters containing both upper and lower case letters, at

least 1 number, and a symbol (Ex. !, %, \$, ?, etc.).

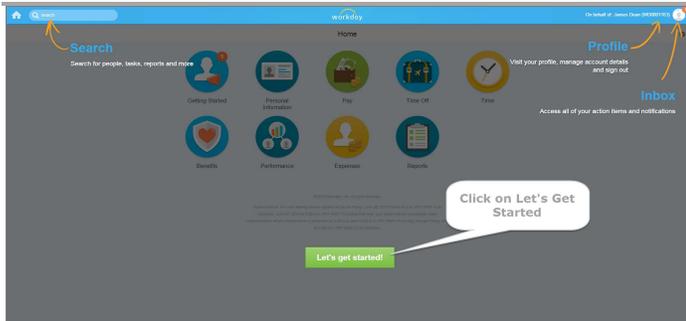

3. Once logged into the Workday system, your inbox will have a series of To Dos and tasks that are required in order to complete your employee record.
4. Review the instructions for each of these tasks carefully and follow each step. Some of the tasks will kick off additional tasks. **Watch the inbox for an orange bar indicating that you need to refresh your page to view the additional tasks.**
5. After completing the onboarding steps, you will receive an email letting you know that your FAUNet ID has been generated and your permanent FAU account is ready to be activated.
