Screening questions

Does your institution use a website to disclose Student-Right-to-Know student athlete graduation rates?

- No.
Yes. Please provide the URL.

Does your institution offer bachelor's degree programs of 5 years or longer?

If you answer Yes to this question, a screen will be generated for you to report the number of students still enrolled in long programs as of August 31, 2009

- No.
Yes.

Based on your institution's response to the predominant calendar system question (B3) on the Institutional Characteristics survey from the IPEDS Fall 2009 Data Collection, your institution must report graduation rates data using a

Fall Cohort

A fall cohort is used by institutions with standard academic terms (semester, trimester, quarter, 4-1-4, other academic). A full-year cohort is used by institutions offering primarily occupational/vocational programs and operating on a continuous basis.

You may use the space below to provide context for the data you've reported above. These context notes will be posted on the College Navigator website, and should be written to be understood by students and parents.

Empty text area for context notes with bullet points.

Section I - Graduation Rate - Establishing Cohorts**Cohort revision**

The Initial Cohort is comprised of the number of first-time, full-time undergraduate degree/certificate-seeking students, as they were reported in Column 1 of the 2003 IPEDS Enrollment survey

Institutions are permitted to make revisions to the initial cohort. The revisions can be either:

1. An actual change in the number of students in the cohort due to cohort-eligible students that were previously omitted from the initial cohort
2. A reclassification of students within gender or racial/ethnic categories with no actual change in the cohort total

No revisions should be made for anyone who dropped out, transferred to another institution, or became a part-time student.

Does your institution have any revisions to make to your preloaded Initial Cohort?

- Yes
- No
-

Incoming students that are seeking a bachelors degree should be reported in column 02. If there are any entering students who are seeking an associates degree or undergraduate certificates, they will be generated in column 03. If you have no changes to the preloaded data on this screen, you must click the "Save and Next" button to generate screens to report completers and transfers.

Section II - Graduation Rate - Transfers/exclusions

REMINDER: This screen contains both NEW and OLD race/ethnicity categories.
Report each individual only ONCE, in either a new category OR an old category.
Do NOT double count individuals!

Report ALL Nonresident aliens and Race and ethnicity unknown in the 'Categories used in BOTH New and Old' section.

In the columns below, report the status of the BACHELOR'S DEGREE-SEEKING STUDENTS reported in the subcohort in Col 10, who did not complete a program as of August 31, 2009.
Report transfers-out who did not complete a program in Col 30. If the mission of your institution includes providing substantial preparation for students to enroll in another eligible institution WITHOUT having completed their programs, you must report transfer-out data in column 30. A school is required to report only on those students that the school knows have transferred to another school. A school must document that the student actually transferred. If it is not part of your mission, you may report transfer-out data if you wish.

Report exclusions from the cohort in Col 45. The ONLY allowable categories for this column are:
students who died or became permanently disabled
students who left school to serve in the armed forces (or have been called up to active duty)
students who left school to serve with a foreign aid service of the Federal Government
students who left school to serve on an official church mission

Col 49 [non-completers (still enrolled + not enrolled) and completers > 150% of normal time] will be calculated for you if you do not have any values to enter in either column 30 or 45, you must enter at least one zero in a field on this screen

Subcohort of full-time, first-time students seeking a bachelor's or equivalent degree

Explanation Report

Number	Source	Location	Description	Severity	Accepted
Global Edits					
1		Perform Edits	Your institution reported offering other undergraduate degrees or certificates besides a bachelor's or equivalent degree on the 2009 Institutional Characteristics survey, but you have not reported an other-than-bachelor's-seeking subcohort. Please explain.	Explanation	Yes
Reason: The AA degrees conferred by our Florida public postsec institutions are incidental on the way to earning their baccalaureate. The student is never seeking an AA degree.
