Overview

Outcome Measures Overview

Welcome to the IPEDS Outcome Measures (OM) survey component. The OM component collects award and enrollment data from degree-granting institutions on four undergraduate cohorts and eight undergraduate subcohorts at three status points: four-years, six-years, and eight-years after entry.

The four cohorts of degree/certificate-seeking undergraduates are:

- First-time, full-time entering (FTFT)
- First-time, part-time entering (FTPT)
- Non-first-time, full-time entering (NFTFT)
- Non-first-time, part-time entering (NFTPT)

For each cohort, two subcohort groups have been added to the OM component - Pell Grant recipients and Non-Pell Grant recipients - resulting in eight undergraduate subcohorts.

Data Reporting Reminders:

- Report data to accurately reflect the time period corresponding with the IPEDS survey component, even if such reporting is seemingly inconsistent with prior-year reporting. For example, if a summer term began later than usual due to Coronavirus Pandemic postponements, continue to report using the timeframes as defined in the IPEDS instructions. NCES expects that some data reported during the 2020-21 data collection year will vary from established prior trends due to the impacts of Coronavirus Pandemic. If an error edit is triggered even when submitting accurate data, please indicate in the corresponding context box or verbally to the Help Desk that the seemingly inconsistent data are accurate and reflect the effects of Coronavirus Pandemic.
- All institutions must report on a **FULL-YEAR** cohort. The OM cohort year is 2012-13. The full-year cohort coverage period is July 1, 2012 - June 30, 2013.
- Institutions will establish their OM cohorts based on their subcohorts of entering Pell Grant recipients and Non-Pell Grant recipients. Institutions should first identify their entering degree/certificate-seeking undergraduates during the cohort coverage period of July 1, 2012 - June 30, 2013, and place each student in the appropriate subcohort. Each student should be reported only once.
- All institutions are required to report transfer-out student data.
- For each status point, institutions will report the highest type of award conferred to a student for each subcohort. The three award categories are certificates, Associate's degree, and Bachelor's degree.
- Institutions should report exclusions for the entire eight year period only on the "Establishing Cohorts" screen. Additional exclusions cannot be reported on the status point screens (i.e., four-years, six-years, or eight-years after entry).
- IPEDS will ask for an estimated time it took to complete the OM component. Include in that estimate the time to review instructions, research data sources (i.e., coordinate with IT and Student Aid offices), complete and review the component, and submit the data.

Changes to reporting for 2020-21:

There are no changes to this survey component.

Important Dates to Remember:All reporting institutions will report on degree/certificate-seeking undergraduates who entered the 2012-13 cohort year: (**July 1, 2012-June 30, 2013**).

- Four-year status point was as of **August 31, 2016**
- Six-year status point was as of **August 31, 2018**
- Eight-year status point was as of **August 31, 2020**

Reporting Tips

Carefully read each [OM FAQ](#) before reporting your institution's data. There are FAQs regarding the major updates to OM 2017-18 collection, such as academic reporters now reporting on a full-year cohort, summer sessions starting prior July 1, reporting awards at different status points, and Pell Grant and Non-Pell Grant recipient subcohorts.

- To access your prior year data submission for this component: [Reported Data](#)

If you have questions about completing this survey, please contact the IPEDS Help Desk at (877) 225-2568.

Establishing Cohorts

2012-13 Entering Undergraduate Cohort

July 1, 2012-June 30, 2013: Full Year

- Begin by identifying your entering degree/certificate-seeking undergraduates for the full year of July 1, 2012 - June 30, 2013.
- Then report each student under one of the eight subcohorts (Pell or Non-Pell Grant recipients FTFT, FTPT, NFTFT, NFTPT).
- Each entering student should be reported only once.
- The four cohorts and total entering students will be calculated based on your subcohort reporting.

NOTE: Once a student is in the cohort, the student remains in the cohort, even if the student's attendance status changes (i.e., full-time to part-time, or vice versa) or if the student drops out, transfers out, or transfers back into the institution during the eight-year period. However, institutions can make adjustments to the cohort for allowable exclusions, which include the death of a student, permanent disability, military deployment, or service on an official church mission or with a foreign aid service of the Federal government. Exclusions are for the ENTIRE eight years for the entering 2012-13 cohort.

Summary

Outcome Measures Component Summary

IPEDS collects important information regarding your institution. All data reported in IPEDS survey components become available in the IPEDS Data Center and appear as aggregated data in various Department of Education reports. Additionally, some of the reported data appears specifically for your institution through the College Navigator website and is included in your institution's Data Feedback Report (DFR). The purpose of this summary is to provide you an opportunity to view some of the data that, when accepted through the IPEDS quality control process, will appear on the College Navigator website and/or your DFR. College Navigator is updated approximately three months after the data collection period closes and Data Feedback Reports will be available through the [Data Center](#) and sent to your institution's CEO in November 2020.

Please review your data for accuracy. If you have questions about the data displayed below after reviewing the data reported on the survey screens, please contact the IPEDS Help Desk at: 1-877-225-2568 or ipedshelp@rti.org.
