At the bottom of the page, there is a cookie consent notice: "By using this site you agree to us setting cookies. Please see our [privacy and cookie information](#)." Below this is the OpenAthens logo and the text "Powered by OpenAthens".

Tour of the Medical Library Website

- The library subscribes to many research and point of care databases such as UpToDate, Pubmed, Clinical Key, Cochrane Library, Embase and many more!
- The library also subscribes to many of the core textbooks and study tools required in the first four years of study. Each year has its own guide which lists core books the library has electronically or in print.
- Access these resources on our website at: <https://library.fau.edu/medical/>
