## **Regulation 2.003     Standards of Student Progress**

- (1) Florida Atlantic University (FAU) standards of student progress are defined in the official University Catalog. The catalog year determines the set of academic requirements that must be fulfilled for graduation. A student continuously enrolled at FAU may be awarded a degree by satisfying the degree requirements defined in any catalog in effect during the period of continuous enrollment leading up to graduation. Students must follow a single catalog to meet graduation requirements, not a combination of catalogs.
  
- (2) University Academic Policies as defined in the official University Catalog are hereby incorporated by reference and is available at <http://www.fau.edu/registrar/universitycatalog/welcome.php>.
