

OSP Announcements and Updates

Date: February 28, 2023

**National Institutes of Aging (NIA):
RPPR Submission Due by March 15, 2023, For Non-Competing Awards**

NIA sends a reminder for a timely submission of the RPPRs which will generate MAY NON-COMPETING awards. The **RPPRs are due NLT March 15, 2023**, to be within compliance.

NIA is at the start of the heaviest funding period in FY2023 and will need your cooperation in an expeditious submission of the required RPPRs for your NIA non-competing awards.

NIH Research Enhancement Awards (R15) - FAU Eligibility Requirements

NIH R15 supports small scale research projects at educational institutions that provide baccalaureate or advanced degrees but have not been major recipients of NIH support. There are 2 programs under the Research Enhancement Awards:

1. **REAP** (Research Enhancement Award Program for Health Professional Schools and Graduate Schools). Based on the program's eligibility requirements, FAU **is not** eligible for the R15 REAP program.
2. **AREA** (Academic Research Enhancement Awards for Undergraduate-Focused Institutions). Based on the program's eligibility requirements, **the non-health components of FAU are eligible** to apply for R15 AREA funding. Neither College of Medicine nor College of Nursing are eligible for the AREA program.

For questions, please contact your Proposal Administrator in the Office of Sponsored Programs.
