

# 3 WAYS

## Our GRADUATE CERTIFICATE IN ADDICTION

### Gets You Closer to Your CAP or MCAP Designation

Ready to distinguish yourself as a professional in the field of addiction? If you are in the final year of your MSW program or are an advanced standing MSW student, our Graduate Certificate in Addiction gives you a jumpstart on becoming a Certified Addiction Professional (CAP) or a Certified Master's Level Addiction Professional (MCAP).

#### MEETS YOUR CLASSROOM REQUIREMENTS

# 1

Our Graduate Certificate in Addiction meets the 350 hours of classroom requirements laid out by the State of Florida for certification as an addiction professional through the Florida Certification Board.

SOW 6611	Clinical Social Work with Families	3 Credits
SOW 6646	Advanced Practice with Elders	3 Credits
SOW 6348	Advanced Practice with Adults	3 Credits
SOW 6125	Psychopathology	3 Credits
SOW 6128	Cognitive Behavioral Therapy	3 Credits
SOW 6714	Behavioral and Process Addictions	3 Credits
SOW 6712	Interventions in Addiction	3 Credits
SOW 6535/6536	Integrative Field Seminar	6 Credits

**27 Credits**

#### EARNs YOU 600 SPECIALIZED CLINICAL TRAINING HOURS

# 2

As part of our Graduate Certificate in Addiction, you will earn 600 internship hours in an addiction-related agency. These hours will count directly toward the related work experience required by the Florida Certification Board to receive your CAP or MCAP designation.

#### GIVES YOU A SIGNIFICANT DISCOUNT ON YOUR F.I.S.T. TRAINING

# 3

The Florida Certification Board requires 16 hours of training in supervision to receive your MCAP designation. You will receive 4 hours through our approved coursework and the remaining 12 can be obtained through attending our Field Instructor Supervisory Training (F.I.S.T.). After completing our Graduate Certificate in Addiction, you will be given a vastly reduced rate on the Phyllis and Harvey Sandler School of Social Work's F.I.S.T. training, making it infinitely easier to complete your required training hours.
