Subject: Proposed change to require ISM3011 of accounting majors

Dear Professor Dinev,

The School of Accounting is proposing to require that all accounting majors take ISM3011, which may affect future enrollments in that class. The Program Change form is attached herein for your consideration. Please let me know if you are in support of this proposal and if you have any concerns related to it.

Thank you!

Kind regards,

Maya Thevenot, Ph.D.
