Subject: Fw: Any objections?

Below is the response from the Chair of the Department of Anthropology (Boca) that there are no objections to our proposal for an Honors version of the course ANT 2511/L.

Hi again Michael. The administration just informed me that the faculty senate wants to make sure that FAU departments don't have any objections to us proposing Honors versions of courses.

Would you please tell me whether you have any objections to us proposing an honors version of ANT 2511/L Introduction to Biological Anthropology? Thank you.

Best,
Rachel
