Engage all your senses this summer by studying in Orvieto, a city with Etruscan roots positioned on top of a volcanic tufa-stone butte surrounded by a stunning countryside. Orvieto is a charming, historic city located in Umbria, “Italy’s green heart”. An impressive Duomo dominates the skyline and many sites and museums convey the city’s rich history from Etruscan times to the present. Orvieto encompasses all the charm and appeal of a true Italian city without the big city price. Conveniently located halfway between Rome and Florence, the city is the perfect base for exploring Italy and other parts of Europe.
