

THE ASIAN STUDIES PROGRAM *and* THE CENTER FOR BODY, MIND, AND CULTURE
present an INTERNATIONAL CONFERENCE

BODIES OF BUDDHISM: SOMAESTHETIC EXPLORATIONS

February 27-28, 2020

FAU BOCA

Embodied practice forms an important continuity within the diversity of Buddhism around the world. Explore these somaesthetics connections to ethics, social justice, the arts, and the art of living with an international group of expert researchers. For more information, please visit
