The University Galleries and the Department of Visual Arts and Art History at Florida Atlantic University will present the “2020 Annual Juried Student Exhibition” through the mode of a virtual exhibition. The virtual exhibition can be accessed online through a link on the FAU University Galleries website. Due to the unfortunate circumstances and unprecedented events around COVID-19, a physical exhibition on campus will be determined at a later date, towards the end of the semester. As of yet, no date has been selected for the opening, as events surrounding COVID-19 are still developing. We will be following the protocols for public events set in place by Florida Atlantic University to minimize the spread of the virus while accommodating and recognizing the work of this year`s selected students through remote means.

Sibel Kocabasi, South Florida artist and FAU alumni whose work was recently featured in our Hand and I: Mending the World One Stitch at a Time exhibition, will be jurying this year`s exhibition.

The FAU University Galleries will be closed until further notice.

We apologize for the inconvenience,
