

Wahlseminar Topos in architectural theory 251.071 Richard Shusterman

Distinguished Visiting Professor
Department of Architecture Theory, TU Wien
Block Seminar, Starting: 16.05.2011

SOMAESTHETICS seeks to:

- redeem the original role of philosophy as the art of living
- end the neglect of the body intensified by the idealist philosophy
- revive the primordial idea of aesthetics as a life-improving cognitive discipline that involves both theory and practical exercise
