AUDIT AND FINANCE COMMITTEE

Wednesday, June 10, 2009

SUBJECT: REVIEW OF FLORIDA ATLANTIC UNIVERSITY'S 2009-10 BUDGET PRESENTATION.

PROPOSED COMMITTEE ACTION

Informational review of Florida Atlantic University's 2009-10 Budget Presentation.

BACKGROUND INFORMATION

The Budget Presentations consists of three parts:

- A. Proposed Reductions
- B. Proposed Budget: Operating Budget and Capital Budget
- C. Looking Ahead: "Project VISION"

The University is required to prepare an annual budget for approval by the Board of Trustees. Authority for the University President to amend the budget is necessary to accommodate changes in revenues and expenditures in accordance with Florida Atlantic University's Strategic Plan and Board of Trustees' directives.

PLEASE NOTE: The background material was previously sent to you on May 29, 2009.

Implementation Plan/Date

July 1, 2009.

Fiscal Implications

The operating budget governs the University's expenditures during the year. This budget is required to be approved by the Board of Trustees prior to July 1, 2009.

Supporting Documentation: PowerPoint Presentation: FAU 2009-10 Budget Presentation.

Presented by: Mr. Frank T. Brogan, President

BUDGET REDUCTIONS

2009-10 E&G Operating Budget

Throughout the budget reduction process, Florida Atlantic University followed these priorities and strategies:

- Continued focus on FAU's *Strategic Plan*
- Minimize the impact on instruction and enrollment
- Ensure currently enrolled students maintain timely progress toward degree
- Maintain the integrity of our teaching, research and service missions
- Eliminate duplication of effort in all areas
- Consolidate programs and activities to achieve economies
- Look to methods to improve efficiency
- Examine ways to support programs and activities from different funding sources

Florida Atlantic University 2009-10 Budget Presentation

BUDGET REDUCTIONS

2009-10 E&G Operating Budget

- Increase class size to the extent pedagogically acceptable
- Maximize efficient use of classrooms and offices
- Examine productivity of all units and programs
- Fill only critically needed positions
- Restrict travel to only essential meetings
- Examine assignments of faculty and staff to achieve maximum efficiency
- Maximize the use of distance education and video/telephone conferencing
- Collaborative discussions and decision-making regarding reductions

FLORIDA ATLANTIC UNIVERSITY'S BUDGET REDUCTION PLAN

is consistent with Florida Atlantic University's **Strategic Goals**:

- GOAL 1: PROVIDING INCREASED ACCESS TO HIGHER EDUCATION
- GOAL 2: MEETING STATEWIDE PROFESSIONAL AND WORKFORCE NEEDS
- GOAL 3: BUILDING WORLD-CLASS ACADEMIC PROGRAMS AND RESEARCH CAPACITY
- GOAL 4: MEETING COMMUNITY NEEDS AND FULFILLING UNIQUE INSTITUTIONAL RESPONSIBILITIES
- GOAL 5: BUILDING A STATE-OF-THE-ART INFORMATION TECHNOLOGY ENVIRONMENT
- GOAL 6: ENHANCING THE PHYSICAL ENVIRONMENT
- GOAL 7: INCREASING THE UNIVERSITY'S VISIBILITY

FLORIDA ATLANTIC UNIVERSITY'S BUDGET REDUCTION PLAN

Florida Atlantic University's budget reduction plan:

- Is the largest one year reduction in the University's history.
- Was developed through a collegial and collaborative process.
- Will not satisfy every constituency.

While the budget reduction plan protects programs, activities and services that are central to the academic mission of the university and fulfills the university's commitment to diversity and inclusiveness, it will impact many aspects of university operations including academic programs and support functions.

WHAT DO THESE REDUCTIONS MEAN?

IMPACT:

- Fewer Faculty & Staff Positions (minimized layoffs)
- Fewer majors
- Reduced operating hours and longer processing times for some services
- Increase in deferred maintenance of buildings and grounds
- Reduced faculty and staff involvement in local and professional communities
- Reduced resources for state funded research, restricting knowledge expansion and economic development
- Postponement of some additional services designed to enhance student experience
- Shift of some base-funded activities to fee-for-service activities
- Reexamination of focus on our core missions

DISTRIBUTION OF REDUCTIONS BY AREA

- All areas participated in the reductions.
- All 2009-10 tuition increase funding will be directed to Academic Affairs to fulfill Strategic Goal 1 Objectives. Expenditures of tuition differential funds will be in accordance with legislative requirements.
- Support units absorbed reductions equal to 27 percent more than proportional share.
- No reductions were made to FAU General Revenue Student Financial Aid.

SUMMARY OF CUMULATIVE BUDGET REDUCTIONS

ACADEMIC SUPPORT UNITS
EFFECTIVE JULY 1, 2009

Financial Aid (Operating Budget):
\$ 100,000

- Reduce staffing and operating expenses

Note: Potential reductions in services and processing time will be ameliorated by increased reliance on federal operating support payments. However, reliance on these federal dollars removes an important contingency reserve for dealing with peak demand by hiring temporary workers.

Graduate College:
\$ 90,000

- Reduced Graduate Recruitment operations
- Reduced Student Support Services operations

Note: Departments will bear a greater burden for costs associated with recruitment and general graduate student services.

HBOI:
\$ 978,025

- Move 5.5 FTE support positions to non-E&G funding
- Reduce maintenance operating expenses, IRM operating expenses, and administrative operating expenses
- Reduce service contracts, vehicle maintenance and other infrastructure operating expenses

Information Resource Management:
\$1,350,000

- Reduce payments to Northwest Regional Data Center for processing time and resources
- Eliminate four unfilled positions
- Reduce operating expense budget

Office of the Provost:
\$1,450,000

- Reduce staffing in Provost's Office by one position
- Reduce support budgets for academic development and faculty-related initiatives
- Reduce Provost's contingency reserve

Undergraduate Programs:
\$ 200,000

- Reduce budget for SLS instruction by cancelling under-enrolled courses
- Reduce the number of Supplemental Instruction courses covered during the summer
- Eliminate all conference travel support
- Reduce number of graduate assistants assigned to advising incoming freshmen
- Eliminate planned activities for teaching enhancement and undergraduate research
- Restructure freshman reading program to eliminate author visit

University Library:
\$ 175,000

- **Eliminate 5 vacant professional librarian and support staff positions**
- **Combine communications and development positions into one position**

VP Research:
\$ 50,000

- **Research: The Associate VPR position which was funded at 50% E&G and 50% overhead has been eliminated.**

FLORIDA ATLANTIC UNIVERSITY 2009-10 OPERATING BUDGET EXECUTIVE SUMMARY

The 2009-10 Operating Budget of Florida Atlantic University (FAU) is comprised of seven budgetary components:

Educational and General	Student Financial Aid
Contracts and Grants	Auxiliary Enterprises
Athletics Local	Student Government
Concessions	

Within the budget development process, methods and techniques are carefully integrated to ensure effective *best practices* and to validate that decisions are directly tied to the University's strategic goals and objectives in a *value-maximizing* framework. All proposed expenditures are reviewed and evaluated at multiple levels within the organization, from departmental units to the President's Executive Committee and the Board of Trustees Committees. Finally, the operating budget is formally approved and adopted by the full Board of Trustees.

FAU's 2009-10 Expenditure Operating Budget totals \$543,376,003, an increase of 4.1 percent over the prior year. In order to accurately reflect total revenues within each budgetary component, the 2009-10 Budget reflects transfers between units.

86

**FLORIDA ATLANTIC UNIVERSITY
2009-10 OPERATING BUDGET
EXECUTIVE SUMMARY**

Educational and General: The Educational and General (E&G) Budget supports the academic mission of the university through expenditures for instruction, research, library and learning resources, student services, university support, and physical plant. The E&G Budget totals \$239,999,427 in estimated expenditures and reflects a decrease of 3.8 percent over the previous year. Key components of this budget include an eight percent tuition increase for all in-state undergraduate and graduate students, a seven percent differential tuition for undergraduate in-state students, the cost to continue prior budgetary appropriations, \$12,155,065 in Federal Stimulus/Budget Stabilization funding, and a \$23,857,780 reduction in General Revenue funding.

Student Financial Aid: The Student Financial Aid Budget is comprised of funding from student financial aid fees, support from federal and state financial aid awards, institutional programs, as well as numerous private scholarships. The Student Financial Aid Budget totals \$119,915,409 in projected expenditures, a 6.7 percent increase over the prior year.

87

**FLORIDA ATLANTIC UNIVERSITY

NEW ISSUE

2008-09 General Revenue Budget Reduction (\$7,008,235)

- Last January, the Legislature reduced General Revenue funding by \$7,008,235 due to lower-than-projected state-wide General Revenue collections.
- These are permanent, recurring reductions

NEW ISSUE

2008-09 Lottery Appropriations

(\$2,034,653)

- Last year, the Legislature provided Lottery funding to help off-set recurring General Revenue reductions.
- These funds are deducted from the 2009-10 Educational and General Operating Budget.

95

NEW ISSUE

2009-10 General Revenue Budget Reduction

(\$23,857,780)

- This year, the Legislature reduced General Revenue funding by \$23,857,780 due to lower-than-projected state-wide General Revenue collections.
- These are permanent, recurring reductions.
- This reduction reflects a non-recurring appropriation of \$1,025,602 that will be removed from the 2010-11 Operating Budget.

96

NEW ISSUE

Cost to Continue Life and Health Insurance

\$388,966

- The Legislature provided funding to support adjustments in health insurance and life insurance premiums in 2008-09.
- The University received a budget adjustment of \$458,543 for health insurance and (\$69,577) for life insurance premiums.
- The cost to continue funding fulfills the annualized amounts needed to meet these obligations.

NEW ISSUE

Cost to Continue – Plant Operations and Maintenance

\$956,056

- Last year, the Legislature provided partial funding to support increases in plant operations and maintenance. This year the Legislature provided the remaining committed funds.
- The cost to continue funding fulfills the annualized amounts needed to meet these obligations.

NEW ISSUE

2009-10 New Space

\$3,332,975

- **Funding to support Plant Operations and Maintenance of new construction/buildings.**
- **These funds support the operating costs of new facilities such as utilities, janitorial services, and routine maintenance.**

99

NEW ISSUE

**Reduction to State-provided General
Revenue Student Financial Assistance**

(94,711)

- **The Legislature reduced Florida Atlantic University's appropriation for Student Financial Assistance by \$94,711.**
- **The 2009-10 Financial Assistance appropriation will be \$964,108.**

100

NEW ISSUE

Adjustment for Life and Health Insurance Premiums	\$2,223,138
--	--------------------

- The Legislature provided funding to support adjustments in health insurance and life insurance premiums in 2009-10.
- The University received a budget adjustment of \$2,292,715 for health insurance and (\$69,577) for life insurance premiums.

101

NEW ISSUE

Adjustment for Risk Management Insurance	\$41,722
---	-----------------

- Funding for Risk Management Insurance premiums is increased by \$41,722 to reflect the higher cost projected for 2009-10.

102

NEW ISSUE

2009-10 Tuition Increase

\$2,796,750

- The Legislature approved an eight percent base tuition increase in undergraduate in-state tuition.
- This increase will generate \$2,796,750 in additional tuition revenue for the Fall and Spring semesters.

103

NEW ISSUE

**2009-10 Undergraduate Differential
Tuition Increase**

\$896,000

- The BOT is requested to authorize a seven percent increase in undergraduate differential tuition effective Fall 2009.
- This increase will not apply to students who have been in continuous attendance since July 2007 or to students covered by a Florida Pre-paid contract issued before July 2007.
- At least 30 percent of these funds are required to go to need-based financial aid.

104

NEW ISSUE

Budget Stabilization Funds

\$12,155,065

- **Florida Atlantic University was appropriated \$12,155,065 in Federal Stimulus/Budget Stabilization funding to support operations as part of the American Recovery and Reinvestment Act of 2009.**
- **These funds are non-recurring but it is anticipated that an equal amount will be allocated in 2010-11.**

105

NEW ISSUE

Change in Student Mix

(\$1,387,106)

- **The Legislature reduced FAU's appropriation by \$1,387,106 to reflect the decline in out-of-state enrollment.**
- **This is a national phenomenon due to the weak economy, encouraging students to attend in-state institutions.**

106

NEW ISSUE

**2008-09 BOT Tuition Increase -
Annualization**

\$317,097

- The BOT authorized a six percent tuition increase for graduate in-state students and undergraduate out-of-state students effective Fall 2008.
- This is the annualization of the increase associated with summer enrollments.

107

NEW ISSUE

**2009-10 Tuition Increase – Graduate In-state
2009-10 Tuition Increase (RESERVE)**

**\$850,000
(\$850,000)**

- The BOT is requested to authorize an eight percent increase in graduate in-state tuition effective Fall 2009.
- Graduate and undergraduate out-of-state tuition increases are not recommended.
- These funds will not be allocated at this time and will be held in reserve for BOT strategic initiatives such as merit-based salary increases, additional 2009-10 budget reductions, and other priorities.

108

NEW ISSUE

2009-10 Additional Budget Authority – Tuition \$2,195,959

- The Legislature authorized an eight percent tuition increase for out-of-state students and increased FAU's budget authority by \$1,150,583.
- The Legislature authorized additional budget authority in the amount of \$1,045,376 associated with future collections of the seven percent differential tuition.
- These amounts are not revenue. They are only budget authority.

CAPITAL OUTLAY BUDGET

Section 1013.61, Florida Statutes, requires the Florida Atlantic University Board of Trustees to adopt a capital outlay budget for the ensuing year to inform the public of the University's capital outlay needs. The capital outlay budget is part of the annual budget and shall be based upon the Board's capital outlay plan. The budget shall designate the proposed capital outlay expenditures by project for 2009-10 from all fund sources, as amended.

The Florida Atlantic University Board of Trustees on June 25, 2008 approved the University's Capital Improvement Plan as recommended by the Strategic Planning Committee. Subsequently the Board of Governor's approved the FAU fixed capital outlay request for the Public Education Capital Outlay (PECO) projects. Due to reduced state PECO revenues, all approved projects could not be funded.
