2009-2010 College Restructuring

June 10, 2009

Why Restructure?

Programs, Practices, Procedures:

• Weren’t Efficient
• Weren’t Providing Strategic Direction for Resource Allocation
• Weren’t Sustainable

Serious Consideration of Restructuring Began May 2008
College Visioning Workshops (Jan. 2009)

• College Leadership Team
• Two Days Over Two Weeks
• Susan Clemmons, Facilitator
• Elephant in the Room – Island Mentality of Departments
• Unanimous Conclusion - Major Restructuring of College Operations Required

Key Priorities

• Maintain Degree Production and Research Capacity (FAU Priorities)
• Improve Student Access/Retention
• Preserve College Strengths
• Preserve College Ability to Capitalize on Opportunities
• Improve Operational Efficiency and Utilization of Resources
• Provide Strategic Direction for Resource Allocations
A New Direction

- Quasi-matrix Organizational Structure
- Manage More by Function and Less by Department
- Plan Released to Faculty, February 26, 2009
- Open Faculty/Staff Meeting, March 13, 2009

The 2009-10 Operating Budget of Florida Atlantic University (FAU) is comprised of seven budgetary components:

- Educational and General
- Student Financial Aid
- Contracts and Grants
- Auxiliary Enterprises
- Athletics Local
- Student Government
- Concessions

Within the budget development process, methods and techniques are carefully integrated to ensure effective best practices and to validate that decisions are directly tied to the University's strategic goals and objectives in a value-maximizing framework. All proposed expenditures are reviewed and evaluated at multiple levels within the organization, from departmental units to the President's Executive Committee and the Board of Trustees Committees. Finally, the operating budget is formally approved and adopted by the full Board of Trustees.

FAU's 2009-10 Expenditure Operating Budget totals $543,376,003, an increase of 4.1 percent over the prior year. In order to accurately reflect total revenues within each budgetary component, the 2009-10 Budget reflects transfers between units.
