SUBJECT: New Business – Approval of New Employment Contract for Football Head Coach

PROPOSED BOARD ACTION
Approve a new employment contract with Howard L. Schnellenberger for the position of Florida Atlantic University Football Head Coach and Director of Football Operations.

BACKGROUND INFORMATION
On July 1, 1999, Florida Atlantic University retained Howard Schnellenberger to become the University’s first football head coach and director of football operations. On October 20, 2004, the University extended Coach Schnellenberger’s contract through June 30, 2009. During his tenure Coach Schnellenberger founded the FAU football program, advanced the team to the NCAA Division I-AA playoffs, elevated the program to NCAA Division I (the highest level of NCAA competition), and coached the team to a Sun Belt Conference championship and New Orleans Bowl victory in 2007, thereby establishing FAU as the youngest football program in NCAA history to win a bowl game.

Coach Schnellenberger’s contract expires at the end of the current fiscal year. Athletics Director Craig Angelos has determined that it is in the Athletics Program’s best interests to extend Coach Schnellenberger’s contract to March 1, 2011, and, if a new on-campus stadium is not completed by the 2010 season, to March 1, 2012. This will guarantee Coach Schnellenberger’s continued leadership of the program through the 2008, 2009, and 2010 football seasons, and through the 2011 season, if a new stadium is not completed in 2010.

The University has developed a new template for head coaches’ contracts, which this Board saw most recently in May when it approved new Men’s Basketball Head Coach Mike Jarvis’ contract. Rather than amend Coach Schnellenberger’s current contract, the parties agreed to supersede his current contract with an entirely new contract, derived from the University’s new template. Under the new contract, Coach Schnellenberger retains overall responsibility for all aspects of the Football Program, subject to the oversight of the Athletics Director. The proposed employment contract prescribes his rights and responsibilities consistent with industry standards for NCAA Division I football programs, including important accountability standards for maintaining the program’s NCAA Academic Progress Rating.
Pursuant to the Board’s Operations Policies and Procedures, any employment contract that contains severance, termination, or separation from employment provisions inconsistent with the University’s Personnel Regulations must be approved by the Board. The proposed new employment contract contains termination provisions that vary from the University’s Personnel Regulations by (1) adding specific actions that may constitute cause for dismissal and (2) adding a right of appeal to the President for any termination. Coach Schnellenberger’s proposed new employment contract contains severance provisions that vary from the University’s Personnel Regulations by providing him his base salary through the remaining term of his contract if he is terminated without cause.

**IMPLEMENTATION PLAN/DATE**

The contract would be signed and take effect immediately upon Board approval.

**FISCAL IMPLICATIONS**

Coach Schnellenberger will be paid an annual base salary of three hundred sixty-three thousand one hundred seventy-nine dollars and thirty cents ($363,179.30). This is the amount of Coach Schnellenberger’s base salary under his current agreement and thus does not create any new fiscal obligations for the University. The new contract would provide Coach Schnellenberger a five percent (5%) or a ten percent (10%) raise on June 30, 2009 and again on June 30, 2010 if the football program achieves certain specified Academic Progress Ratings. (If the football program maintains its current Academic Progress Rating, Coach Schnellenberger would receive a 5% raise.) Coach Schnellenberger will also be eligible for certain annual bonuses if the team achieves certain performance benchmarks. Coach Schnellenberger’s salary and benefits will be paid from the University’s Athletics budget, and are subject to the availability of funding in that budget.

To help off-set expenses for the University’s athletic department, the Program will be required to play a sufficient number of games to generate at least $1,400,000 in guaranteed game revenues for the 2008-09 season, with a minimum guarantee increase of five percent (5%) each year thereafter.

Additionally, each Party acknowledges and agrees that they have entered into this Agreement knowingly and voluntarily after having had the opportunity to review the Agreement and to seek the advice of counsel regarding their respective rights in the Agreement. Further, this Agreement will be construed equally against the Parties and may not be modified or amended without the express written consent of all Parties to the Agreement.
