"Constitutional Amendment for Gubernatorial Approval of Legislation"

Author: Rivka Felshe Sponsor: Edlyna Carter

WHEREAS, The Senate is responsible for considering all legislation necessary and proper to the Student Body; and

WHEREAS, The Constitution is the most important document responsible for the establishment of the Florida Atlantic University Student Government and should therefore be consistent in its provision of power within the Executive Branch; and

WHEREAS, It states within Article IV. Executive Branch, Section 5. Duties and Powers of Campus Governors, that the Campus Governors shall: A. Sign or Veto legislation passed by the Campus House of Representatives within seven (7) academic days following passage, which creates an imbalance within the Executive Branch and delays legislation approval; and

WHEREAS, Article IV. Executive Branch, Section 5. Duties and Powers of Campus Governors would be revised to state that the Campus Governors shall: A. “Constitutional Amendment for SG Officers Term of Office”  

Author: Rivka Felsher  
Sponsor: Edlyna Carter  

WHEREAS, The Senate is responsible for considering all legislation necessary and proper to the Student Body; and  

WHEREAS, The Constitution is the most important document responsible for the establishment of the Florida Atlantic University Student Government and should therefore be clear and fair in its provision for terms of office for all elected and appointed Officers; and  

WHEREAS, It states within Article VI. Elections, Section 3. Installation of Officers, G. Oath of Office, 3. All Student Government elected positions shall have terms of office of one (1) calendar year beginning upon installation and ending at the conclusion of three hundred and sixty-five (365) days, which creates an unfair situation that shortens the term of office for successors should an office vacate early resulting in inefficiency and confusion; and  

WHEREAS, Article VI. Elections, Section 3. Installation of Officers, G. Oath of Office would be revised to state 3. All Student Government elected and appointed positions shall have terms of office of up to one (1) calendar year beginning upon installation and ending upon the installation of their successor, thereby clarifying the terms of office as established in this section of the Constitution;  

Therefore be it resolved, The Constitution of Student Government revisions noted within be approved and adopted by the Senate as is, be then brought before the Campus Houses of Representatives for approval by three of the four Houses, and then be placed on the ballot at the fall Student Body election in September, 2008 for ratification.
