Subject: Approval of new proposed Article 23 (Wages) in the existing FAU BOT/PBA Collective Bargaining Agreement

Proposed Board Action
Approval of amended Article 23 (Wages), as negotiated as part of the 2008-2009 contract opener, to be integrated into the existing Collective Bargaining Agreement for 2007-2010 between the Florida Atlantic University Board of Trustees and the Palm Beach County Police Benevolent Association (PBA).

Background Information
The current PBA contract is in effect through September 30, 2010. The parties negotiated for annual reopeners at which each side may open up to two articles for negotiations. Article 23 (Wages) is automatically open for negotiations each year.

For the 2008-2009 reopener, the parties decided to withdraw its proposals for changes to articles and only negotiate Article 23. On March 24, 2009, the parties agreed to a $1000 non-recurring lump sum bonus payable within 30 days of ratification, and a 1% base salary increase effective upon ratification by the Board of Trustees. The new Article 23 has already been ratified by the membership of the PBA. The agreement is being presented to you today for ratification with a positive recommendation from the Personnel Committee of the Board of Trustees.

Implementation Plan/Date
Effective upon BOT approval.

Fiscal Implications
One-time bonus and police employees’ regular salary increase funded from Clearwire lease funds for the current year, and thereafter by the FAU E&G Budget.
