Trustee Shaw asked for clarification of item 8, “Faculty members may only abstain form voting when there is a conflict of interest.” stated that faculty may abstain because they do not want to vote and how would members abstaining from voting affect the faculty up for tenure. Dr. Alperin stated that nothing will happen to faculty who is up for tenure since the voting is by secret ballot, there is no way to discern whether they are abstaining because of conflict of interest or because they do not want to vote. Trustee Shaw stated that in section 10 the sentence needs to be included that “Committee members may only abstain from voting when there is a conflict of interest.” The motion was seconded by Trustee Rajendra Gupta. Dr. Smith stated that the nurses will not be medical doctors, but serve in nurse practitioner roles with greater knowledge and specialization. Trustee Sherry Plymale asked as the program expands will it be offered on different campuses at FAU. Dr.
Smith responded that the courses for the program can be offered at any of the FAU campuses.
