SUBJECT: REQUEST FOR APPROVAL TO REPEAL REGULATION 1.008, FORMS INDEX.

PROPOSED BOARD ACTION

Provide approval to repeal of Regulation 1.008 (Forms Index).

BACKGROUND INFORMATION

Regulation 1.008 was promulgated in 1983 and lists the forms that were in use by the University at that time as an administrative agency. Since the establishment of the Board of Governors and Boards of Trustees as constitutional entities, the University is no longer an administrative agency required to list its forms pursuant to the Florida Administrative Code. Accordingly, Regulation 1.008 is antiquated and no longer relevant or applicable to the University.

This item was reviewed and approved by the BOT Audit and Finance Committee on February 16, 2012.

IMPLEMENTATION PLAN/DATE

Immediately upon passage by the BOT.

FISCAL IMPLICATIONS

Not Applicable.
