SUBJECT: REQUEST FOR APPROVAL OF AMENDMENT AND RESTATEMENT OF THE FLORIDA ATLANTIC UNIVERSITY RESEARCH CORPORATION ARTICLES OF INCORPORATION AND BY-LAWS.

PROPOSED BOARD ACTION

Review and provide approval of the First Amended and Restated Articles of Incorporation and the First Amended and Restated By-Laws of the FAU Research Corporation (FAURC).

BACKGROUND INFORMATION

Section 1004.28, Florida Statutes, provides for Board of Trustees oversight of University direct support organizations. The FAURC is an FAU direct support organization primarily intended to assist FAU with its research and training mission by commercializing FAU created and owned technology and intellectual property through licensing. The FAURC was originally incorporated in 1990. Since 1990, changes within Florida and within FAU require that the FAURC Articles of Incorporation and Bylaws be amended. References in those documents to the Florida Board of Regents and to an FAU Broward Provost are two examples demonstrating the need for updating and amending the FAURC’s Articles and Bylaws.

The primary changes are to reflect the current composition of the FAURC’s Board of Directors. The FAURC’s Board of Directors is comprised of various FAU officers such as the FAU President, Provost, and Vice President for Finance. As stated, some FAU positions which served on the original FAURC Board have been eliminated. The updated Articles of Incorporation and Bylaws reflect these changes. Therefore, the Broward Provost is no longer listed as a FAURC Board member and the Chair of the Florida Board of Regents no longer appoints a Board member. That authority, reflecting the current Florida statute, is now with the Chair of the Florida Atlantic University Board of Trustees who has the option to appoint a FAURC Board member. Additionally, the Vice President for Research, a position created at FAU after 1990, is now reflected as a member of the FAURC’s Board of Directors. The Amended and Restated Articles now refer to the By-Laws (Article I) for the listing of the FAU positions which serve on the FAURC’s Board of Directors. The original Articles (Article VII) listed the FAU positions whose office holders were appointed as Directors of the FAURC Board. This change was to avoid redundancy and to avoid the need to re-file the Articles in the event of a change in the Board’s composition. However, the approval process for such a change remains the same.
In addition to updating the Board’s composition, provision for electronically delivered notices of meetings and teleconference meetings have been added to the By-Laws. Lastly, the Officers of the FAURC (the FAURC’s President, Secretary and Treasurer), appointed by the President of Florida Atlantic University, can now be appointed for longer than a one year term.

This issue was reviewed and approved by the BOT Audit and Finance Committee on April 20, 2011.
