## COMMUNITY AND GOVERNMENTAL RELATIONS COMMITTEE

Date: \_\_\_\_\_

**SUBJECT: APPROVE NAMING OF UNIVERSITY ELEMENTS**

---

### PROPOSED COMMITTEE ACTION

Recommend that the BOT approves naming of an element within the proposed ADHUS/FAU High School Complex. The proposed name of the element will be the "Huizenga Family ELEMENT."

### BACKGROUND INFORMATION

**Donation:**

H. Wayne Huizenga, Jr. and Fonda Huizenga are donating One Million Dollars (\$1,000,000) for a recognition opportunity by naming an Element within the proposed ADHUS/FAU High School Complex, to be constructed under the direction and within the discretion of the Assistant Dean of PK-12 Educational Programs.

**Gift Purpose:**

The gift will be used to assist with the planning, financing, constructing and equipment purchase for the ADHUS/FAU High School Complex, under the direction and within the discretion of the Assistant Dean of PK-12 Educational Programs. At the present time, the Huizengas have not decided on a specific Element to name. They will have one year to choose an available Element from the appropriate category in the naming element menu, which is attached.

**Donor's Prior Relationship with FAU:**

H. Wayne Huizenga, Jr. (b. 12/1961) is President of Huizenga Holdings, Inc.; The "H" Group, Inc.; H Marina Properties, LLC; and Southern Aircraft Services, Inc. He is also chairman of Rybovich, a marina in West Palm Beach, Florida. In 1985 Mr. Huizenga earned a B.S. in business from the University of Tampa.

Mr. Huizenga is a member of the board of the Luis Palau Evangelistic Association and is a founding member of the board of the Christian Community Foundation of South Florida. He is also a member of Lifework Leadership National Advisory Board and is a member of the advisory committee for

Door of Hope Outreach, Inc. In 2013 Mr. Huizenga was appointed by Florida Governor Rick Scott to a seven-year term on the Florida Board of Governors, the governing body that oversees the state university system. In 2015 Huizenga won the Sun Sentinel Company's Excalibur Award for Business Leader of the Year in Palm Beach County.

In 1991 Huizenga married Fonda Hix, a native of West Palm Beach, Florida. She is a graduate of Vanderbilt University with degrees in biomedical engineering and electrical engineering. After graduation, she worked as an engineer for Procter & Gamble in Tennessee and Arizona. She also worked as an engineer with Cordis Corporation in South Florida.

**Facility and Program:**

AD Henderson University School/FAU High School is embarking on the largest, most ambitious, and most important campaign in its history. Let's Build This Together brings to life the most comprehensive master plan, completed in 2015, outlining the multi-phase campus replacement project.

The Let's Build This Together initiative for the Developmental Research School at Florida Atlantic University seeks to preserve and elevate the school's reputation as a leader in K-12 education and increase its landmark research and impact. Designed to achieve LEED Gold certification, the new facilities at the Developmental Research School at Florida Atlantic University will teach our students about emerging technologies and the economic, social, and ethical rewards of sustainable design and construction.

The new facility will be critical in facilitating student led research and engineering as AD Henderson University School/FAU High School provides opportunities for experiences beyond the classroom. This new facility will equip our faculty and students to impact the future for years to come.

**FISCAL IMPLICATIONS**

The estimated cost of signage and installation is a maximum of \$400.00 for design and execution of the signage for the named asset.

**IMPLEMENTATION PLAN/DATE**

Construction of ADHUS/FAU High School Complex – TBD.
