**SUBJECT: APPROVE NAMING OF UNIVERSITY ELEMENTS**

---

### **PROPOSED BOARD ACTION**

Approve naming of an element within the proposed ADHUS/FAU High School Complex. The proposed name of the element will be the "Bernard and Sylvie Godin ELEMENT."

### **BACKGROUND INFORMATION**

#### **Donation:**

Bernard and Sylvie Godin are donating Two Hundred Fifty Thousand Dollars (\$250,000) for a recognition opportunity by naming an Element within the proposed ADHUS/FAU High School Complex, to be constructed under the direction and within the discretion of the Assistant Dean of PK-12 Educational Programs.

#### **Gift Purpose:**

The gift will be used to assist with the planning, financing, constructing and equipping the ADHUS/FAU High School Complex, under the direction and within the discretion of the Assistant Dean of PK-12 Educational Programs. At the present time, the Godins have not decided on a specific Element to name. They will have one year to choose an available Element from the appropriate category in the naming element menu, which is attached.

#### **Donor's Prior Relationship with FAU:**

In 1982 the Godins moved from Montreal, Canada, to Boca Raton, Florida. Bernard Godin is a real estate developer and a mechanical engineer. Bernard Godin is the sole owner of Godin Holdings Limited Company in Boca Raton. He is also affiliated with BJV funding, LLC; Zephyr Navigation, LLC; Zephyr PB, LLC; CGL Partners, Inc.; Bergo Management, LLC and other Godin family-owned Florida-based companies. He also oversees the Bernard Godin Trust.

Sylvie Godin is a long-time member of the Junior League of Boca Raton. She has also volunteered with Building Levels of Care for Kids; the Children's Place at HomeSafe; and the Boca Raton Historical Society. The couple has two sons, Vincent and Eric. Vincent and his wife, Marion '09 (M.S., Family Nurse Practitioner, FAU, 2009), have two children. Marion is an adjunct professor at FAU's Christine E. Lynn College of Nursing and she works as a clinical nurse scholar at FAU's Karen Slattery Educational Research Center for Child Development. Eric and his wife, Jennifer, have one child. Like their parents, Vincent and Eric Godin have both given to Florida Atlantic University.

**Facility and Program:**

AD Henderson University School/FAU High School is embarking on the largest, most ambitious, and most important campaign in its history. Let's Build This Together brings to life the most comprehensive master plan, completed in 2015, outlining the multi-phase campus replacement project.

The Let's Build This Together initiative for the Developmental Research School at Florida Atlantic University seeks to preserve and elevate the school's reputation as a leader in K-12 education and increase its landmark research and impact. Designed to achieve LEED Gold certification, the new facilities at the Developmental Research School at Florida Atlantic University will teach our students about emerging technologies and the economic, social, and ethical rewards of sustainable design and construction.

The new facility will be critical in facilitating student led research and engineering as AD Henderson University School/FAU High School provides opportunities for experiences beyond the classroom. This new facility will equip our faculty and students to impact the future for years to come.

**FISCAL IMPLICATIONS**

The estimated cost of signage and installation is a maximum of \$400.00 for design and execution of the signage for the named asset.

**IMPLEMENTATION PLAN/DATE**

Construction of ADHUS/FAU High School Complex – TBD.
