CG: A-1 Recommend Naming Elements:

- "Berman Zone"

Trustee Linda Stoch (Chair) invited Daivd Kian, Interim CEO of FAU Foundation, Inc. to address the Board in place of David Green, Interim VP for Institutional Advancement.

Interim CEO Daivd Kian.

David Kian, Interim CEO of FAU Foundation asked the Board of Trustee's Community and Governmental Relations Committee Member to approve the naming of the following University Element:

1. Berman Law Group @ Florida Atlantic University

This is a request to name a new element area we are building at the University at the baseball stadium. It is an elevated berm along the third base line along left field where we are putting in a play area. It is going to have picnic tables, umbrellas, and open areas for the kids to play around in. It is really going to enhance the game day experience for fans who come out to see the baseball and softball teams play. The facility is generously

underwritten by Russel Berman, who is the co-founder and partner of the Berman Law Group, a successful firm with multiple offices around the state as well as around the country. In grateful recognition of Russell Berman funding the creation of this area at our stadium, we would like to name this berm the "Berman Zone." We respectfully request this committee recommend to the Full Board the approval of the naming of the "Berman Zone" in grateful recognition of this gift from Russell Berman.

Trustee Linda Stoch (Chair) called for a motion to approve. A motion was made and seconded to approve without change or correction. The motion passed unanimously.
