Mr. Workman introduced Mr. Atwater who spoke briefly about some positive highlights at FAU. Upon call, a motion was made and seconded to approve the minutes of the June 27, 2017 BFC meeting without change or correction. **The motion passed unanimously.**

BF: A-1. Review and Approval of the 2018-19 Projected Housing Budget and Proposed Rental Rates.

Dr. Corey King presented the 2018-19 housing budget to the board and stated that there would be no rate increases for fiscal year 2019. Actual occupancy in fiscal year 2014 was 88.2% and over the last four years there has been a significant increase in occupancy on campus with fiscal year 2018 at 100.4%. For budgeting purposes, the occupancy for fiscal year 2018 has been set at 96%. A \$36M operating budget has been set for the upcoming year. The proposed re-roofing project will be \$2.3M with total housing maintenance for the year at \$5.4M.

Upon question, Dr. King explained that wasn't much significant hurricane damage to campus housing except for Glades Park Towers which sustained some damage to the roof.

DRAFT

With no further questions, a motion was made and seconded to recommend BOT approval of the 2018-19 Housing Rental Rates remaining unchanged from the prior year. **The motion passed unanimously.**

BF: A-2. Proposed Regulation Amendment: Trespass and Loitering (7.006).

Mr. David Kian explained the requested amendments to regulation 7.006 are in paragraphs 9c and 10 which relate to changing the title of the Vice President (from Financial Affairs to Administrative Affairs) who may hear appeals from trespassing orders. Upon question, Mr. Kian explained that the trespass regulation is very effective and he identified certain situations in which a person may not be allowed back on campus with a trespass order. He, along with Ms. Stacy Volnick, also assured the board that the guidelines and processes in place at FAU regarding freedom of expression and disrupting speakers on campus are effective and continuously reviewed.

With no further questions, a motion was made and seconded to approve the amendment to the regulation. **The motion passed unanimously.**

BF: A-3. Proposed Regulation Amendment: Tuition and Fee Assessment, Remittance and Refunds (8.002).

Mr. Kian described the revision of paragraph 3c3 within regulation 8.002, which is a new requirement from the Board of Governors, to refund active duty military members who are called to service for any reason. Upon query, Mr. Kian, along with verification from Dr. Corey King, stated that there are 2 or 3 students per semester that this applies to.

With no further questions, a motion was made and seconded to approve the amendment to the regulation. **The motion passed unanimously.**

BF: A-4. Proposed Regulation Amendment: University Traffic and Parking (7.003).

Mr. Kian explained the proposed amendments are changes to certain fees within regulation 7.003 such as an increase in the motorcycle parking fee, implementing increases to short term parking permit fees for visitors (daily, weekly and monthly) and an increase to metered hourly fees. Upon question, Mr. Kian and Ms. Volnick confirmed that none of the fee changes affect students.

Mr. Kian confirmed that since posted, there has been no public comment on any of the proposed regulation amendments presented today.

With no further questions, a motion was made and seconded to approve the amendment to the regulation. **The motion passed unanimously.**

BF: A-5. Request for Approval of FAU Finance Corporation (FAUFC) Bylaw Amendments.

Mr. Kian explained that the FAUFC is a direct support organization and assists the University with funding major capital projects. The first amendment to the bylaws that are being proposed is to add a requirement that the president be allowed to appoint three additional members to the board and will come to the Board of Trustees for approval. The second amendment is a requested modification to the conflict of interest provision which prohibits FAU employees from serving on the FAUFC board. The specific provision will be exempted from the conflict of interest provision of the bylaws so that University employees may serve on the FAUFC board. This has already been unanimously approved by the FAUFC board.

Upon query, Mr. Kian explained that it is desirable to give the board flexibility to determine whether a conflict exists on a case by case basis.

With no further questions, a motion was made and seconded to approve the amendments. **The motion passed unanimously.**
