SUBJECT: REQUEST TO REPEAL REGULATION 6.009 – MOTOR POOL

PROPOSED COMMITTEE ACTION

Recommend BOT approval of a repeal of FAU Regulation 6.009, Motor Pool.

BACKGROUND INFORMATION

FAU Regulation 6.009 was historically implemented to address the acquisition and disposal of state university motor pools prior to the creation of individual University Boards of Trustees. The regulation, however, is no longer necessary as the University does not control a central motor pool and the acquisition and disposal of motor vehicles, watercraft, and aircraft are governed by other University regulations and policies. The Board of Governors has also repealed their regulation pertaining to the motor pool as obsolete and noted that no regulation is required on the subject.

IMPLEMENTATION PLAN/DATE

If approved by the Board, the regulation will be repealed effective as of July 1, 2015.

FISCAL IMPLICATIONS
