#### INDEPENDENT ACCOUNTANTS' REPORT ON THE APPLICATION OF AGREED-UPON PROCEDURES

Dr. John Kelly, President, Florida Atlantic University:

We have performed the procedures enumerated below, which were agreed to by the president of Florida Atlantic University (the University), solely to assist the University in evaluating whether the accompanying statement of revenues and expenses (Exhibit I) of the Florida Atlantic University Intercollegiate Athletics Program (the Program) is in compliance with the National Collegiate Athletic Program (NCAA) Bylaw 3.2.4.15 for the year ended June 30, 2017. The University's management is responsible for the statement of revenues and expenses (the Statement) and the Statement's compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

Exceptions totaling the lesser of \$100,000 or 10\% of the line item total to which an agreed-upon procedure has been applied to, other than exceptions related to internal control procedures of the Program, for which there are no thresholds, have been reported. The procedures that we performed and our findings are as follows:

#### Agreed-Upon Procedures Related to the Statement of Revenues and Expenses

| Procedure   | Finding              |
|---|----------------------|
| All Revenue Categories  |                      |
| • Compare and agree each operating revenue category reported in the statement during the reporting period to supporting schedules provided by the Program. If a specific reporting category is less than 4.0% of the total revenues, no procedures are required for that specific category. | No exceptions noted. |
| <ul> <li>Compare and agree a sample of operating revenue<br/>receipts obtained from the above operating revenue<br/>supporting schedules to adequate supporting<br/>documentation.</li> </ul>   | No exceptions noted. |

Compare each major revenue account over 10% of the total revenues to prior period amounts and budget estimates. Obtain and document an understanding of any variations greater than 10%. Report the analysis as a supplement to the final Agreed-Upon procedures report.

No exceptions noted and amounts and explanations for variations from the prior period are included in the supplement on page 19.

#### **Ticket Sales**

1. Compare tickets sold during the reporting period, complimentary tickets provided during the reporting period and unsold tickets to the related revenue reported by the Program in the statement and the related attendance figures and recalculate totals.

As ticket sales represent less than 4.0% of total revenues for the year ended June 30, 2017, no procedures are required to be performed.

#### **Student Fees**

3. Compare and agree student fees reported by the Program in the statement for the reporting to student enrollments during the same reporting period and recalculate totals.

We were able to reconcile student fees reported by the Program to student enrollment data provided by the Florida Atlantic University (the University) within approximately \$153,000 or 1.21%. We noted that regular differences occur primarily due to refunds of athletic fees for dropped classes where the timing of such refunds may fall in a different fiscal year.

- 4. Obtain and document an understanding of Institute's methodology for allocating student fees to intercollegiate athletics programs.
- An understanding of the University's methodology was gained, and we noted the allocation was in accordance with the University's methodology.

5. If the Program is reporting that an allocation of student fees should be countable as generated revenue, recalculate the totals of their methodology for supporting that they are able to count each sport. Tie the calculation to supporting documents such as seat manifests, ticket sales reports and student fee totals.

#### **Direct Institutional Support**

6. Compare the direct institutional support recorded by the Program during the reporting period with the institutional supporting budget transfers documentation and other corroborative supporting documentation and recalculate totals.

Note: Any discrepancies MUST be resolved within the NCAA Membership Financial Reporting System prior to the report being submitted to the NCAA.

For Pell Grants: Agree the total number of Division 1 student-athletes who, during the academic year, received a Pell Grant award (e.g. Pell Grant recipients with no Grants-in-Aid) and the total value of these Pell Grants reported in the NCAA Membership Financial Reporting System to a report, generated out of the Program's financial aid records, of all student-athlete Pell Grants.

#### **Finding**

We obtained and read the audited financial statements of the Foundation for the year ended June 30, 2017, and the related report on compliance and on internal control. The results of this procedure disclosed that the independent auditors expressed an unmodified opinion on the financial statements of the Foundation. The independent auditors noted no matters involving internal control over financial reporting and its operation that were considered material weaknesses.

We were not engaged to, and did not, conduct an examination, the objective of which would be the expression of an opinion on the compliance of the accompanying statement of revenues and expenses (Exhibit I) and the accompanying notes to the statement of revenues and expenses (Exhibit II). Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the management Florida Atlantic University and the Program, the Florida Atlantic University Board of Trustees, the State of Florida Board of Education, and the National Collegiate Athletic Association, and is not intended to be and should not be used by anyone other than these specified parties.

# FLORIDA ATLANTIC UNIVERSITY INTERCOLLEGIATE ATHLETICS PROGRAM NOTES TO STATEMENT OF REVENUES AND EXPENSES FOR THE YEAR ENDED JUNE 30, 2017 (UNAUDITED – SEE ACCOMPANYING INDEPENDENT ACCOUNTANTS' REPORT ON THE APPLICATION OF AGREED-UPON PROCEDURES)

#### (1) Basis of Accounting:

The statement of revenues and expenses of the Florida Atlantic University Intercollegiate Athletics Program (the Program) has been prepared using the accrual basis of accounting. Under this method, revenues are recorded when earned and expenses are recognized when they are incurred.

#### (2) Capital Assets:

Capital assets purchased with an original cost of \$5,000 or more are recorded at cost and depreciated utilizing the straight-line method over the estimated useful lives of assets (generally ranging from 5 to 10 years). Costs to maintain or repair these assets are expensed as incurred. Costs incurred for the construction of buildings or other permanent facilities are reflected as expenses, as these assets are not capitalized as part of the Program's accounts, but are recorded by the University as assets of other funds.

#### (3) **Contributions:**

The Foundation serves as the official legal conduit for the acceptance, investment, and distribution of private gifts in support of the activities and programs of Florida Atlantic University. Contributions of \$2,806,153 were recognized from the Foundation for the year ended June 30, 2017, and have been included in the accompanying statement of revenues and expenses. Contributions received from the Foundation was the only contribution exceeding 10% of total contributions, as reported in the statement of revenues and expenses, for the year ended June 30, 2017.

#### (4) Long-term Obligations:

Series 2010 – Taxable Capital Improvement Revenue Bonds were issued in November 2010 in the amount of \$44,500,000 and financed the construction of a 30,000 seat stadium facility, parking improvements, and other associated athletic and onsite and offsite infrastructure improvements and projects. The bonds bear interest at an annual rate of 5.78% and mature in 2040. Issuance of the bonds provided the FAU Finance Corporation (the Corporation) with a federal subsidy through a refundable tax credit paid to the Corporation each fiscal year by the IRS, in an amount equal to 35% of the total coupon interest payable to investors in these taxable bonds, which was subsequently reduced by 6.9% as a result of sequestration for the years ended June 30, 2017.

Bondholders have the option to require that the Corporation purchase the bonds on the Initial Purchase Date of October 1, 2017, or agree to an Extended Purchase Date which cannot exceed three years from the Initial Purchase Date or each Extended Purchase Date, as applicable. The interest rate on the bonds is subject to adjustment on each Extended Purchase Date and will be determined by taking the 3-year LIBOR swap rate, as of the applicable Extended Purchase Date, and adding 336 basis points. The Extended Purchase Date interest shall be calculated on the basis of actual number of days elapsed in a 360- day year.

In addition, the Corporation is required to certify on a quarterly basis that the operating and nonoperating revenues from the previous twelve month period are sufficient to cover at least 125% of an amount equal to the annual bond service requirements, net of direct pay subsidies expected to be received on each respective interest payment date.
