Thursday, December 13, 2012

SUBJECT: ANNUAL SURVEY OF CASA MEMBERS REGARDING KNOWLEDGE GAINED

PROPOSED COMMITTEE ACTION

No action required. Information item.

BACKGROUND INFORMATION

The goal of the survey is to ascertain if Committee on Academic and Student Affairs (CASA) members have received adequate and satisfying knowledge and understanding of the following specific topics:

- The academic profile, progress and morale of students;
- The profile and productivity of the faculty;
- How FAU compares within the State University System (SUS) and peer institutions; and,
- The areas of research and academic enterprise.

**COMMITTEE ON ACADEMIC AND STUDENT AFFAIRS
THURSDAY, DECEMBER 13, 2012**

SUBJECT: ANNUAL SURVEY OF CASA MEMBERS – KNOWLEDGE GAINED

This survey instrument is provided to the Committee on Academic and Student Affairs members to solicit your feedback regarding what you have learned about the division this year and to inquire regarding which areas in the division you would like to know more about in the future.

This survey focuses on four specific topics as follows:

1. Regarding the academic profile, progress and morale of students...
 - a. I am satisfied with the information provided and have a good understanding of this issue.
 - b. More information than I needed was shared.
 - c. I would like to know more information than I have been provided.
 - d. Items about which I would like more information include:

2. Regarding the profile and productivity of the faculty...
 - a. I am satisfied with the information provided and have a good understanding of this issue.
 - b. More information than I needed was shared.
 - c. I would like to know more information than I have been provided.
 - d. Items about which I would like more information include:

3. Regarding how FAU compares within the State University System (SUS) and peer institutions...
- a. I am satisfied with the information provided and have a good understanding of this issue.
 - b. More information than I needed was shared.
 - c. I would like to know more information than I have been provided.
 - d. Items about which I would like more information include:

4. Regarding an overview of research and the academic enterprise...
- a. I am satisfied with the information provided and have a good understanding of this issue.
 - b. More information than I needed was shared.
 - c. I would like to know more information than I have been provided.
 - d. Items about which I would like more information include:
