Article I. Voluntary Participation/Assumption of Risk/Injuries/Waivers

Section 1.01 Participating in Intramural Sports

(a) Your participation in Intramural Sports activities could result in physical injury, which could be serious or fatal. Participation in Intramural Sports is completely voluntary and all participants acknowledge their assumption of risk by their voluntary participation. Florida Atlantic University and the FAU Campus Recreation staff are not responsible for injuries sustained while participating in scheduled Intramural Sports contests, in the Recreation & Wellness Center, Henderson Fields, or the general recreation area. Participants are required to sign a release form prior to participation in each new activity. The waiver will be signed online via www.imleagues.com/fau. Participants are strongly encouraged to have approval of their personal physician prior to participating and are encouraged to have personal health insurance. If injuries occur during competition, the FAU Campus Recreation staff may administer basic first aid and CPR, and/or call EMS. Participants are financially responsible for any medical expenses incurred.

(b) Competitive Sports staff members have the right to prohibit an individual from participating if they show signs of intoxication from use of drugs or alcohol or if an injured participant shows common signs of a concussion.

(c) All participants are solely responsible for their own well-being and they are strongly encouraged to follow any doctor’s orders and/or medical restrictions and to notify their team captain of any physical/medical restrictions. All participation decisions made by Competitive Sports staff members are final.

(d) Campus Recreation does not supply medical supplies except basic first aid supplies and in emergency situations.

Article II. Sportsmanship

Section 2.01 Team Sportsmanship Rating

(a) FAU Campus Recreation’s sportsmanship rating system has been developed to protect the safety and equity of all participants and those affiliated with supervising our events.

(b) The rating is an objective means for assessing the behavior of teams throughout a sport season.
Participating in Intramural Sports is NOT a right, it is a privilege. Therefore, the Intramural Sports program and its staff members reserve the right to take away that privilege from any team or individual that does not abide by the rules and regulations, as well as does not exhibit good sportsmanship and fair play.

The Intramural Sports staff will grade teams on their display of sportsmanship before, during, and after each game on a 0-4 scale.

Section 2.02 Sportsmanship Rating Criteria

(a) 4.0 “A” – Great Conduct and Sportsmanship
   (i) Team members and spectators (on or off the playing area) cooperate fully with the supervisors and officials and the team captain has full control of their teammates and fans. If the captain converses with the officials about rules interpretations or calls, they do so respectfully and calmly. Team members and spectators were respectful of opponents and officials and encouraged each other’s efforts. At no time was this team disrespectful towards participants or officials.

(b) 3.0 “B” – Average Conduct and Sportsmanship
   (i) Team members and spectators (on or off the playing area) are respectful of opponents and officials except for one or two minor incidents which may or may not merit a warning from the game officials or supervisor. These complaints may have been voiced verbally or non-verbally toward officials, opposing players, or opposing fans. The team captain exhibits control over teammates and themselves.
   (ii) A team winning a game due to a forfeit will receive a “B” in sportsmanship.
   (iii) Teams that default an Intramural Sports contest will receive a “B” in Sportsmanship.

(c) 2.0 “C” – Below Average Conduct and Sportsmanship
   (i) Team members and spectators (on or off the playing area) show continuous or sustained verbal dissent toward officials, supervisors, and/or opposing team. The team captain exhibits little control over teammates and themselves.
   (ii) Teams receiving multiple warnings or having players penalized for an unsportsmanlike act (i.e. conduct yellow card, conduct technical foul, unsportsmanlike conduct penalty) should receive no higher than a ”C” rating.
   (iii) Teams that forfeit an Intramural Sports contest will receive a “C” in Sportsmanship.
1.0 “D” – Unacceptable Conduct and Sportsmanship

(i) Team members and spectators (on or off the playing area) complain excessively to officials and/or opposing team. The team captain exhibits poor control over teammates and themselves. Majority of individuals on this team are disrespectful of opponents or officials on a regular basis.

(ii) The team captain of any team receiving a “D” in sportsmanship must meet with the Competitive Sports professional staff member prior to the team’s next contest.

(e) “F” – Season Ending Conduct and Sportsmanship

(i) Team members and spectators (on or off the playing area) are completely uncooperative and out of control before, during, and/or after Intramural Sports contest(s).

(ii) The team captain (spokesperson) exhibits no control over self, the team, and/or the spectators.

(iii) Multiple ejections or blatant unsportsmanlike conduct that endangered participants, fans, officials, or supervisors.

Section 2.03 Playoff Sportsmanship

(a) A team must have a minimum, cumulative average of a “B” (3.0) sportsmanship rating during the regular season to be eligible for the playoffs.

(b) Once the playoffs begin, all teams MUST earn a “B” or better in each contest to advance further in the playoffs.

(c) Any team receiving a “C”, “D”, or “F” during the playoffs will be disqualified.

Article III. Captain’s Role and Responsibilities

Section 3.01 General Responsibilities

(a) Captains are responsible for passing the captains’ quiz (via IMLeagues.com/fau), ensuring that their team’s players are eligible, monitoring the physical well-being of the team’s players, informing players of game times, informing Campus Recreation of scheduling conflicts, and controlling the behavior of the team’s players and spectators during the game/match.

(b) Captains will be held accountable for ensuring their team name is appropriate based upon the following standards.

(i) Any team name that incorporates the following is subject for removal:

   1) Alcohol/Drug Reference
   2) Illegal activity
   3) Offensive to any group of people (Religion, Race, Gender, Sexuality, etc.)
   4) Sexual Innuendos
(ii) Any team name that incorporates a play on words that elude to indecency, obscenity, or profanity that could be deemed as grossly offensive to members of the general public who actually hear/read it. Context is paramount in determining whether any particular word or phrase will be considered indecent, obscene, or profane.

Section 3.02 Captains’ Quiz

(a) Captains must pass the Captains’ Quiz in order to create a team for any Intramural Sports activity.

(i) The quiz will be taken online, via IMLeagues.com/fau during the individual’s team registration process.

(ii) 100% score is required for a Captain to have their team created.

(iii) Captains will have an unlimited amount of attempts to pass the quiz.

Section 3.03 Playoff Meetings

(a) In an effort to accommodate teams during the playoffs, a playoff meeting will occur for each team sport. Captains attending the playoff meeting will be allowed to pick their place in their team’s respective playoff bracket.

(i) The order of selection will be based off the rankings generated by IMLeagues.com.

(ii) Teams will be able to choose from a specific allotment of openings based on their ranking.

(iii) Teams that do NOT attend the playoff meeting will be placed into the remaining openings based on their ranking.

Section 3.04 Rosters

(b) It is the responsibility of the Captain to inform their team members about the eligibility requirements (See Article IV).

Section 3.05 Spectators

(i) Spectators must be respectful to the teams and Intramural Sports Staff.

(ii) Spectators must stay in designated areas and cannot interfere with the game in any way.

(iii) The use of noise makers, offensive signs/shirts/posters/language is prohibited.
Player Eligibility

Section 3.06 Eligibility Rules

(a) Eligibility rules for Intramural Sports are designed to provide an opportunity for everyone to participate in a safe, balanced, and fair competition. The rules listed below cannot provide for all possibilities; therefore, the Intramural Sports staff reserves the right to rule on the eligibility status of participants not covered specifically by the following rules.

Section 3.07 Identification Policy

(a) All current FAU students shall be eligible to compete in Intramural Sports, except as otherwise provided in the Rules and Regulations. Any individual with a current FAU Campus Recreation membership is eligible to participate. All participants must be able to present a valid photo ID. The photo on the card must be clear and distinct enough to identify the holder of the ID or a second picture ID will be required.

Section 3.08 Lost Identification Policy

(a) Individuals participating in Intramural Sport games/matches must provide proof of student status (Owl Card) or proof of membership status (Key Tag/Membership ID).

(b) If an intramural participant is unable to show the aforementioned ID, they will NOT be allowed to participate.

Section 3.09 Roster Policy

(a) Any individual is eligible to participate in Intramural Sports programs if they are not under disciplinary penalty prohibiting participation, and if the requirements of Intramural Sports rules are met.

(i) Rosters are open to any eligible player who has NOT played for another team in that same sport. Each participant can only play on ONE (1) single gender team and ONE (1) Co-Rec team per sport.

(ii) By playing in one regular season game, each participant is automatically added to that team’s roster. Players may be added to a roster up until the semifinals of the playoffs of that sport.

1) During the playoffs there will be NO on-site roster additions. Teams wanting to add players during the postseason must do so online PRIOR to coming to the game site.
Section 3.10  Team Limits for Individuals

(a) Contestants may not represent more than one team in any sport with the exception that an individual may play on one Co-Rec team and one other men’s or women’s team in which they are eligible to participate. A contestant becomes an ineligible player when they violate this rule. When a person’s name appears on a scoresheet roster as checked in, they are considered to have played in that contest.

(b) If a team legally drops from competition before the playoffs begin, that team’s members may play for another team in that sport. To legally drop a team, the captain must notify a Competitive Sports professional staff member, in writing, of their intent. A team is not considered dropped until a Competitive Sports professional staff member approves the request.

(c) Minimum disciplinary action for a contestant playing on more than one team is a one week suspension during regular season play. If an individual violates the rule twice or at any point during the playoffs, they will not be eligible for the remainder of that sport, and possibly face additional sanctions.

(d) Any team that knowingly allows an ineligible player to play will forfeit the game.

Section 3.11  Restricted Player Categories

(a) A restricted player is one who meets the definition of any restricted player categories listed below.

(ii) For Men’s leagues, the playoff brackets will be divided into A and B playoffs for the Competitive Class and C and D playoffs for the Recreational Class. Any team competing in the Competitive class and finishes the regular season with a record better than or equal to .500 will compete in the Competitive A playoffs and teams with less than a .500 record will compete in the Competitive B playoffs. The same set up will be used for Recreational playoffs with teams competing in Recreational C and D brackets.

1) The Intramural Sports staff reserves the right to put a team in a higher bracket if the team is deemed to be losing on purpose, or to maintain competitive balance in a league.

2) For Competitive and Recreational, all leagues must have at least 12 teams to be split into A/B or C/D. If there are not at least 12 teams, all teams will compete together in the playoffs.
3) Any team wishing to petition up a class in the playoffs for more equal competition must notify a Competitive Sports professional staff member by NOON the day following the final day of regular season play. Teams will be petitioned up based on the Intramural Sports staff making a decision that will be fair to all teams entered in the particular class.

(b) Seeding

(i) All teams shall advance to the playoffs in their respective leagues and classes seeing that they meet all other necessary requirements to qualify.

(ii) The seeding of the brackets will be based off the rankings generated by IMLeagues.com

1) Seeds will be calculated using the items below in the following order:
   
   i. Sportsmanship
   
   ii. Winning Percentage
   
   iii. Head to Head Results
   
   iv. Total Points Against

(d) FAU Campus Recreation may limit the number of entries in certain activities. Entries will be taken on a first-come, first-serve basis.

Section 4.05 Defaults

   (i) Defaulting through email – fauimsports@gmail.com

      1) In the subject line, please include the sport and team name that the email is about.

(b) If a game has begun and cannot continue due to injury, which leads to having less than the required minimum number of players, or a team chooses to not continue the contest, a default will be recorded.

(c) The Intramural Sports staff will contact the opponent in case of a default. If you do not receive confirmation from an Intramural Sports staff member, the game has not been defaulted.
INTRAMURAL SPORTS PARTICIPANT HANDBOOK

(d) A default does not include a forfeit fine or exclusion from the playoffs.

(e) Teams that default will receive a “B” in Sportsmanship.

Section 4.06 Ready to Play and Game Time

(a) Game time is forfeit time. All teams shall be ready to play at the designated game time.

(b) A team is considered ready to play when the required minimum number of players for the sport are properly signed-in with Intramural Sports staff, present at the specific field or court for their scheduled contest, and properly equipped at the designated game time.

Section 4.07 Optional Grace Period and Forfeits

(a) At the discretion of the IM staff, based on time and space availability, and with the approval of the opposing team captain, a team may be offered a 10-minute grace period from the original start time to obtain the minimum number of players required to participate or otherwise become ready to play.

(b) In such cases, the team that is present and deemed ready to play retains the option to decline the grace period and take a win by forfeit at that moment. Captains must select one option or the other when asked by an Intramural Sports staff member. All decisions are final.

(c) If the captain of the team that is ready to play decides to wait and play the game, both teams must accept the result of the game.

(d) If the team shows up during the 10-minute grace period, game time will be reduced by the number of minutes the team was late for the game. For games with timed periods, the length of each period will be reduced equally.

(e) The captain of the team ready to play will also have the option of penalizing the late team a certain amount of points, goals, runs, etc. based on the rules of the specific sport. The penalty is added immediately if the opposing team captain elects to use it, and is NOT impacted by the amount of time it takes for the other team to be ready to play. EXAMPLE: A flag football captain has the option of allowing the ten minute grace period for their late opponent, and also has the option to start the game up 14-0. Penalty points for each sport will be outlined in the sport’s rules.

(f) If the team is still not ready to participate after the additional time period has expired, the game will be defaulted or forfeited as described. No additional time is permitted.

(g) A team that shows up to play their scheduled contest but has ONE LESS individual than the required number to play shall be awarded a DEFAULT. In all other situations, a forfeit will be recorded.
For a forfeited contest, the team captain (the individual who registered the team via IMLeagues.com/fau) will be fined a $30 forfeit fee.

Teams paying their $30 forfeit fee will be allowed back into the league.

If a team forfeits two league play games, it will NOT be entered into the playoffs.

Section 4.08 Protests

(a) Rule Interpretation

(i) There shall be no protests allowed on judgment calls.

(ii) If, in the team captain’s opinion, an error was made, they must inform the official in a sportsmanlike manner, BEFORE the game continues, that they are protesting a rules interpretation. If the team captain does not immediately notify the official of their intent to protest, they waive all rights to protest on that particular call.

(iii) Upon notification by the team captain of a rules interpretation protest, the official shall stop the game and alert the supervisor, who will then assist the team captain in filling out the protest form. Both team captains shall sign the protest proceedings, agreeing to continue the game according to the official’s ruling.

(iv) In resolving a rules interpretation protest, the Intramural Sports staff will first make a decision concerning whether an error was made, and second, whether the error had an effect on the outcome of the contest. At that point, a final decision will be made on whether to replay the remainder of the game and both team captains will be notified.

(b) Eligibility

(i) Protests regarding the eligibility of an opponent may be made. All participants must present acceptable identification if requested by the game official. If the player cannot present proper identification at this time, they will not be allowed to participate until they can present it.

(ii) To complete a formal protest of eligibility, the protest must be filled by 5pm the day following the contest. To protest eligibility, the team must contact a Competitive Sports professional staff member, who will then rule on the protest.

(iii) Minimum disciplinary action for a contestant playing on more than one team is a one week suspension during regular season play. If an individual violates the rule twice or at any point during the playoffs, they will not be eligible for the remainder of that sport.

(iv) Any team that uses an ineligible player shall forfeit the contest that is being protested.

(v) If a protest results in a scanning of rosters for ineligible players, both rosters of that contest will be examined.
Section 4.09  Inclement Weather Policy

(a) FAU Campus Recreation staff reserves the right to postpone, cancel, or otherwise prohibit the completion of Intramural Sports activities due to inclement or severe weather or other unforeseen circumstances. When making decisions in regards to the postponement or cancellation of activities, the Campus Recreation staff will consider a variety of elements including: forecasted weather, facility requirements, and the well-being of student staff and participants.

(b) Regular season games that were not played due to cancellations/rainouts/etc. MAY be rescheduled. In the event that any cancelled games are not able to be replayed, teams will receive a win and a “B” in sportsmanship

   (i) If an Intramural Sports contest has begun and is then called due to weather or other extenuating circumstances, AND at least one half of the game has been completed, the results of the game will stand. Teams will be rated on their sportsmanship as if the game was played in its entirety.

Section 4.10  Bids to Regional and National Tournaments

(a) Teams/Individuals are eligible, but not guaranteed, to receive assistance to travel to a Regional and/or National Tournament. Assistance may include tournament fee coverage and hotel accommodations. Transportation costs to and from the tournament will NOT be covered. Section 4.12 Rules of Personal Conduct

(a) Any person who commits, or attempts to commit, incites, or aids others in committing any of the following acts of misconduct shall be subject to disciplinary procedures by Campus Recreation. Team captains, managers, coaches, etc. are responsible for the conduct of their players, and therefore are subject to the same disciplinary actions as their players.

(b) If a player is ejected from a game, they are suspended indefinitely from all Intramural Sports competition, effective immediately, pending an interview with a Competitive Sports professional staff member or graduate assistant who shall determine the length of the suspension period. The suspension period will not begin until after the meeting between the ejected player and staff member takes place.

INTRAMURAL SPORTS PARTICIPANT HANDBOOK

(f) The individual will remain suspended from all Campus Recreation activities until they complete all requirements set forth by the Dean of Students Office and following a review by the Campus Recreation team.

Section 4.13 Use of an Assumed Name or other Fraudulent Acts

(a) The use of an assumed name in any manner in the Intramural Sports program shall constitute a violation of the rules.

(b) Fraudulent acts shall be defined as playing while ineligible, under suspension, or using another individual’s identification to sign in.

(c) Should a participant, team, or team manager be guilty of, or responsible for, the use of an assumed name or a fraudulent act, they will be disqualified from all Intramural Sports activities pending a meeting with a Competitive Sports professional staff member, who shall determine the length of the suspension period. The team for which they played may be dropped from further competition in that sport.
