### iClicker Student Registration FAQ

▼ [Where do I find my remote ID?](#)

Your iClicker remote ID is printed on a sticker located on the back of your remote. The ID is the 8-character code below the barcode. Newer original iClicker remotes have a secondary ID location behind the battery compartment and iClicker 2 remotes display the ID upon power up. The remote ID will only contain letters A-F and numbers 0-9.

Enter your 8-digit remoteID number; Canvas will already have your student email address populated, so just click "Register" and you are done.
