Important Notice for Prospective Applicants to the Comparative Studies Program

Thank you very much for your interest in the Comparative Studies Program. Owing to severe budget cuts to the entire University system, we have suspended admissions to the Comparative Studies Program beginning in Fall 09. During this hiatus of admissions, the College faculty and administration will be engaged further in the ongoing review of the PhD program. When it is appropriate, we will reopen admissions. If you would like further information, please contact Gabrielle Denier at gdenier@fau.edu.
