1098T Form Information

Educational institutions, such as colleges and universities must furnish 1098-T Tuition Statements to its eligible students. It serves to alert students that they may be eligible for federal income tax education credits. Institutions may report either payments received for qualified tuition and related expenses in Box 1 or amounts billed for qualified tuition and related expense in Box 2. You, or the person who may claim you as a dependent, may be able to claim an education credit on your income tax return for the qualified tuition and related expense that were actually paid in the tax year.

Receipt of Form 1098-T does not necessarily mean you qualify for a tax credit. If you have questions about how to calculate your education tax credit, for additional information please consult your tax professional or refer to the IRS. FAU cannot and does not offer advice on tax matters.

When will Form 1098-T be available to eligible students?

Each year by January 31, Florida Atlantic University makes the 1098-T available to eligible students who had qualified tuition and other related educational expenses billed to them during the previous calendar year.

How do I access my 1098-T?

For instructions on how to access your 1098-T, click here.

What are qualified tuition and related expenses?

Qualified tuition and related expenses include tuition and fees a student must pay to be enrolled at or attend an eligible educational institution excluding amounts paid for room and board, transportation, health and recreation fees.

FAU reports the amount of qualified tuition and related expenses billed to students during the tax year. A student’s 2015 Form 1098-T may include amounts from Spring 2015, Summer A & Summer B 2015, Fall 2015 and Spring 2016, depending on when the student registered for courses.

Will my 1098-T Tuition Statement be provided to the IRS?

Yes. FAU is required to transmit you 1098-T electronically to the IRS by March 31.

Why isn’t there an amount in Box 1 on the 1098-T?

Educational institutions may choose to report either payments received (Box 1) or amounts billed for qualified tuition and related expenses (Box 2) on the 1098-T. FAU reports qualified tuition and related expenses that were billed during the tax year (Box 2). Box 1 is intentionally blank.

Why didn’t I receive a 1098-T?
FAU is not required to report to the IRS or to furnish a 1098-T to you, if:

1. You were enrolled in a course for which no academic credit was offered, even if you were otherwise enrolled in a degree program.
2. You were a nonresident alien (unless you specifically requested a 1098-T)
3. Your qualified tuition and related expenses were entirely waived or paid by scholarships, grants, or third parties such as your employer or federal/state government agency.
4. FAU does not maintain a separate financial account for you and your qualified tuition and related expenses are covered by a formal billing arrangement between FAU and your employer or a government entity, such as the Department of Veterans Affairs or the Department of Defense.
