Executive Summary 2013-2014

MAJOR ACCOMPLISHMENTS

Clinical
1) Expanded our group therapy program by providing more groups (33) and group therapy appointments (2,662, up 354%) than ever before. Group therapy represented 22.9% of all the clinical services provided this year.
2) Total of 11,620 counseling appointments were scheduled at the center and increase of 19.7% from last year, with little to no waitlist and an average wait of no more than 10 days.
3) Creation of the Clinical Services Committee as a means of centralizing oversight of the clinical operations of the center.
4) Implementation of CCAPS as the main assessment tool of CAPS.

Outreach
5) Presented professionally at the Annual Conference of Association for University and College Counseling Centers (AUCCCO) in Burlington, Vermont. Topic was: Collaborate for Success: Translating a Business Approach to Collaboration, which has been the first presentation facilitated by CAPS at AUCCCO.
6) Creation of an LGBTQ Peer Mentor Program
7) Creation of a Mental Health Ambassadors Peer Education Program

Training
8) Achieved membership in APPIC (Association of Psychology and Post-doctoral Internship Centers).
9) Participated in our first APPIC match
10) Graduated our inaugural Doctoral Internship class
11) Supported staff psychologists in becoming licensed with Whitney Hagen, Laura DiPaquale, and Amber Lazarus all achieving licensure.

Research
1) Participated in the application for 5 local or national grants. This is two more than last year and we were awarded one grant from the Stacie Mathewson Foundation.
2) Nice publications or presentations from CAPS faculty and staff.

Administration
3) Drew closer to the IACS ratio through two more additions to our staff.
