ADMISSION TO THE COLLEGE OF BUSINESS

The College of Business classifies students by two levels: lower-division and upper-division. With the exception of courses required for the business minor (MAN 3025, FIN 3403, MAR 3023) and economics courses, upper-division business courses are limited to upper-division students. To be admitted as upper-division, transfer students must have:

- Earned a minimum of 60 credits
- Attained a minimum undergraduate GPA of 2.5
- Completed the seven prerequisites with at least a "C"
- Fulfilled CLAST requirements
- Fulfilled Foreign Language entry requirements

Students are exempt from the above standards if they major in General Economics, International Economics or Health Administration.

Students must refer to the university catalog for university- and degree-wide graduation requirements.
