- Introduction to Sociology 3
- Introduction to Psychology 3
- Human Growth and Development 3
- Nutrition 3
- Statistics* 3
- College Algebra or equivalent* 3

* GPA in these courses may be considered to determine acceptance into the program.

BSN ACCELERATED APPLICATION REQUIREMENTS

The following outlines the minimum requirements for review of application. Applications not meeting the following criteria will not be reviewed for acceptance into the program:

- Bachelor’s degree with a minimum cumulative 3.0 GPA (this is the GPA calculated by the awarding institution). Post-baccalaureate classes are not included in this calculation.
- The following courses must be completed with a grade of “C” or better by December of the application year:
  - Anatomy & Physiology I with lab
  - Anatomy & Physiology II with lab
  - Microbiology with lab
  - College algebra or equivalent
  - Statistics
- Completion of all prerequisite courses with a grade of “C” or better prior to program enrollment, if accepted
- Minimum “TEAS V” score of 74%

There is a background check and drug screen after conditional acceptance to the program.

The Accelerated Bachelor of Science in Nursing is a limited-access program. There are many more qualified applications than available spaces. Admission decisions are based on the following:

1. Pre-requisite science/math GPA
2. TEAS exam scores
3. Other pertinent factors related to the professional role may be considered.
   - Pre-requisite courses completed at an SUS university or equivalent university in the US
   - A writing sample and/or personal interview may be required
4. Background check
Applications are accepted for the Accelerated between **July 1** and **November 30** each year for admission in May of the coming year.

Applicants need to complete four steps in applying to the program:
1. Apply and be admitted to Florida Atlantic University as a pre-nursing student by published deadline.
2. Submit College of Nursing undergraduate application online by published deadline. Applying sooner is recommended.
3. Complete the TEAS entrance exam by application by admission application deadline.
4. Complete all prerequisites **before the program begins in May**.

Students transferring to Florida Atlantic University must complete both lower-division requirements (including the requirements of the Intellectual Foundation Program) and requirements for the college and major. Lower-division requirements may be completed through the A.A degree from any Florida public college, university or community college or through equivalent coursework at another regionally accredited institution.

All course not approved by the Florida Statewide Course Numbering System that will be used to satisfy requirements will be evaluated individually on the basis of content and will require a catalog description and a copy of the syllabus for assessment.

Students must refer to the university catalog for university- and degree-wide graduation requirements.
